What Makes A Good Hero:

What Makes a Hero? Leader Guide Matt Rawle, 2017-12-19 *What Makes a Hero* offers us an image of what it looks like to be victorious over trials and temptations. Looking at pop culture heroes and others through the lens of faith, Matt Rawle shows how Jesus turned the concept of hero on its head. In keeping with his theme *Pop in Culture*, the book examines how good vs evil, right vs wrong, and overcoming adversity are fundamental to how Christians understand salvation. Heroes help us discern the good, fight for what's right, define identity, execute justice, spark revolution, and save lives. Rawle enters the Gospel story to tell quite a different victory story: one obtained through humility, obedience to the cross, and an empty tomb. How does Jesus redefine what it means to be a hero? The *Leader Guide* contains everything needed to guide a group through the six-week study, including session plans and discussion questions, as well as multiple format options. *What Makes a Hero?* Matt Rawle, 2017-12-19 *What Makes a Hero* offers us an image of what it looks like to be victorious over trials and temptations. Researchers are now applying the lens of science to study heroism for the first time. How do biology, upbringing, and outside influences intersect to produce altruistic and heroic behavior? And how can we encourage this behavior in corporations, classrooms, and individuals? Using dozens of fascinating real-life examples, Elizabeth Svoboda explains how our genes compel us to do good for others, how going through suffering is linked to altruism, and how acting heroic can greatly improve your mental health. She also reveals the concrete things we can do to encourage our most heroic selves to step forward. It's a common misconception that heroes are heroic just because they're innately predisposed to be that way. Svoboda shows why it's not simply a matter of biological hardwiring and how anyone can be a hero if they're committed to developing their heroic potential. *What Makes a Man Feel Loved* Bob Barnes, 2015-03-01 They say that behind every great man is a great woman. What makes Netflix's Bodyguard so successful? An intimate viewing Mela Z., 2019-05-15 Essay from the year 2019 in the subject Art Photography and Film grade 1 0 University of Art and Design Linz Kunstuniversit t Linz language English abstract What makes Bodyguard so successful An intimate viewing When in due time after watching Netflix s Bodyguard simply didn t fade out of my mind it made me a little uneasy I felt compelled to try and find out what was so compelling in there The investigation then became a bit of an obsession in itself which no doubt ran away with me sometimes turning into some dubious lanes here and there Nonetheless it was enjoyable as I hope it is for you too to read Without knowing the whole first season six hours none of this will make sense to you So watch first then enjoy reading the thematic and psychological theories about it For plot theories or discussion of realism plausibility of the action parts look elsewhere My purpose was to look for meaning staying in the characters points of view for a lot of the time rather than to find fault The meaning offered by a completed work is usually not identical with what was intended by its makers And meaning doesn t always emerge by design sometimes things just fall into place Every interpretation that s well reasoned is justified and can be challenged by further argument This is just one viewer s view

Summary Part I The main character p 2 assumes that underneath the bodyguard s professional demeanor there is a very sensitive and even childlike soul and it shows up in his body quite a lot if you know where to look We delve into reading the bodyguard s mind and body and end up being a bit unsure about who protects whom here but being a lot surer about our humanity

Part II The relationship p 11 tries to draw near to what gets this unlikely pair together at all a theory being that for him it is a very bodily need but not primarily a sexual one associated with his stress disorder This part further points out that their relationship is visually described by two beautifully handled guiding themes the touch of their hands and their partly only symbolic embraces

Part III The finale p 21 describes a striking analogy between the bomb vest around David s body and his inner mental powder keg of trauma hurt and the stress of covering it up It deals with death tombs and the underworld a bit like in Greek drama and after having been there getting back to life
