December 16, 2000

The last couple of years have been a long bumpy ride for me, as they have for everyone my age. No matter what, everyone has experienced many of the same "teenage" circumstances as I have and has dealt with them in their own way. As a personal participant in this "game", we call life, I would say I worked hard for and earned first place. That is just my creative view on things. Too bad, not everyone sees it in the same light as I do. As a student, I am an active participant in my academic and extracurricular activities. My first priority has always been to make good grades and learn in school. Although this is important to me, I also know that by participating in clubs, sports, and after school activities, I will become a well-rounded student. During the past years of my high school career I have participated and received awards in the following: Cheerleading (eight years), twice as captain, '97-'98 Varsity Letter in Cheerleading, '98 AIM scholar, Who's Who Among American Cheerleaders, and '98 Academic Excellence Award while participating in Virginia High School League Interscholastic Activities. I also belonged to the following clubs: S.A.D.D. club (two years), second year as secretary, Pep Club, Varsity Club, Choir Club, and Computer Club. In the year '99-'00 I received awards in the following classes: Computer Applications, Spanish I, World Geography, and Advanced Algebra/Trigonometry. I also received an award for Most Encouraging Student. I currently belong to the Hiking and Outdoor Club, Ski Club, Pep Club, and Environmental Awareness Club. In addition, this year I participate in a program called Read With A Friend. In this program I, along with a group of other students, go to the near by elementary school to read to a class of students from kindergarten to fifth grade. In order to gain an understanding of independence and responsibility, I have held summer jobs in the preceding three years. I also worked to help myself financially in boarding school, insurance, a car, everyday necessities, and soon in college. My first summer job was at the Moonlite Drive In Theater.
