Library Journal      *What She Left Behind* by Ellen Marie Wiseman. Conversation Starters Trivion Books, 2017-05-06

*What She Left Behind* by Ellen Marie Wiseman Conversation Starters The history of mental illness is a dreary and shocking one. Even today we have little understanding of many types of mental illnesses and some of them have yet to be diagnosed, let alone cured. However, the past of mental asylums in different parts of the world leaves much to be desired. *What She Left Behind* explores this past in detail and especially what it meant to be a woman at a time when a family could send her off to an asylum if she became troublesome. Isabelle, a young woman trying to survive the foster system, begins to poke into the past in 1995 when an asylum closed and she digs deeper into the lives of the people there, especially of a woman named Clara Cartwright who faced this fate. A Brief Look Inside EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER than the surface of its pages. The characters and their world come alive and the characters and its world still live on. Conversation Starters is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on. These questions can be used to create hours of conversation, foster a deeper understanding of the book, promote an atmosphere of discussion for groups, assist in the study of the book either individually or corporately, explore unseen realms of the book as never seen before.
