Cindy Gilbert, 2020-10-30 In life we are given several opportunities to get closer to our Dad In this story I describe how my story is like that of the Lion and the King a story told in India A king is told that he will be killed and going to hell and out of his fear he tries to come up with a solution The King finds out that if he is injured the lion who is a symbol of the devil will not kill him because the lion will not kill its prey if it is already injured The King then decides to injure himself and therefore he will no longer fall victim to the lion because the lion likes a challenge and the King is no longer a challenge since it is injured The injured King then seeks to find comfort to his pain and his pain causes him to seek his creator who can heal all vessels and direct them in the righteous path or destroy the body and the soul on a lake of fire When the King approaches his creator his creator has sympathy for him and restores him and shows him the righteous path to stay away from the Lion therefore giving him an opportunity to be a part of the royal family in heaven The situation of the Lion and the King is like mine because I became injured and through my injuries came to find refuge in my Dad who is also my creator In this book I describe in haiku free style poetry and short stories how the Lion was out to get me and my injury saved me causing me to get closer to my Lord and Savior also known as my Dad This story that you are about to read is about me a child of God who received refuge and healing through our higher power Daily Gratitude Journal The Life Barn, 2020-01-15 Only 10 seconds to 2 minutes effort everyday Find 3 things for which you are thankful for in your life today This Gratitude Journal is a great way to start a new routine in 2020 Every month starts with a new big gratitude question and 4 questions to set your intention for the month Each minimalistic designed weekly spread contains space to write down 3 things for which you are thankful for everyday and a special moment of the week This book provides space for 365 days Practicing gratitude is one of the simplest and most effective things you can do to transform your life Research shows that people who regularly take time to notice things they are grateful for enjoy better sleep better relationships greater resolve towards achieving goals show more compassion and kindness and are overall happier For all those who want to achieve a maximum result with a small effort The Gratitude Journal What I Am Thankful For is a wonderful gift for women men and teens Choose to Be Grateful Daily Journal Thankful Family Journals, 2019-12-30 Practice Daily Gratitude Feel Happier Live A More Balanced Life Cultivate
