What Is A :

What is a Gospel? Charles H. Talbert, 1985 What is a Wommett? Mick Abrahams, 2010-05-26 Mick Abrahams first rose to fame as a guitarist during the 1960s and was a founder member of Jethro Tull although his time with the band was to prove short lived owing to the vividly contrasting musical styles of himself and Ian Anderson In his autobiography What is a Wommett Mick finally puts the record straight about this parting of the ways and the events that have shaped the man and his music since that time up to the present day Perhaps best known for his time with Blodwyn Pig the band he formed after leaving Tull Abrahams has continued to delight fans with his own brand of blues jazz and rock on highly acclaimed albums spanning several decades With a fitting foreword by radio presenter and champion of great music Bob Harris this autobiography provides a fascinating insight into the character of an upbeat man who hasn't allowed anything to keep him down for long Packed with anecdotes and stories about Mick's life in and out of the spotlight this book is a must have for his fans and anyone who remembers the excitement of the emerging new musical talent of the sixties **What is a Madrasa?** Ebrahim Moosa, 2015-03-10 The prospects for peace in Afghanistan dialogue between Washington and Tehran the UN's bid to stabilise nuclear armed Pakistan understanding the largest Muslim minority in the world's largest democracy in India or the largest Muslim population in the world in Indonesia all require some knowledge of the traditional religious sectors in these countries and of what connection traditional religious schooling has or not to their geopolitical situations Moosa delves into the world of madrasa classrooms scholars and texts recounting the daily life and discipline of the inhabitants He shows that madrasa are a living changing entity and the site of contestation between groups with varying agendas goals and notions of modernity Reading this unique and engaging introduction will provide readers with a clear grasp of the history place and function of the madrasa in today's Muslim world religious cultural and political It will also investigate the ambiguity underlying the charge that the madrasa is at heart a geopolitical institution What Is the Present? Michael North, 2025-06-17 A provocative new look at concepts of the present their connection to ideas about time and their effect on literature art and culture The problem of the present what it is and what it means is one that has vexed generations of thinkers and artists Because modernity places so much value on the present many critics argue that people today spend far too much time in the here and now but how can we tell without first knowing what the here and now actually is What Is the Present takes a provocative new look at this moment in time that remains a mystery even though it is always with us Michael North tackles puzzles that have preoccupied philosophy neuroscience psychology history and aesthetic theory and examines the complex role of the present in painting fiction and film He engages with a range of thinkers from Aristotle and Augustine to William James and Henri Bergson He draws illuminating examples from artists such as Fra Angelico and Richard McGuire filmmakers like D W Griffith and Christopher Nolan and novelists such as Elizabeth Bowen and Willa Cather North offers a critical analysis of previous models of the present from the experiential present to the historical period we call the

contemporary He argues that the present is not a cosmological or experiential fact but a metaphor a figurative relationship with the whole of time Presenting an entirely new conception of the temporal mystery Georg Lukacs called the unexplained instant What Is the Present explores how the arts have traditionally represented the present and also how artists have offered radical alternatives to that tradition *What is this thing called Knowledge?* Duncan Pritchard,2013-10-01 What is knowledge Where does it come from What kinds of knowledge are there Can we know anything at all This lucid and engaging introduction grapples with these central questions in the theory of knowledge offering a clear non partisan view of the main themes of epistemology Both traditional issues and contemporary ideas are discussed in sixteen easily digestible chapters each of which conclude with a useful summary of the main ideas discussed study questions annotated further reading and a guide to internet resources Each chapter also features text boxes providing bite sized summaries of key concepts and major philosophers and clear and interesting examples are used throughout The book concludes with an annotated guide to general introductions to epistemology a glossary of key terms and a summary of the main examples used in epistemology This an ideal first textbook in the theory of knowledge for undergraduates coming to philosophy for the first time The third edition has been revised and updated throughout and features two new chapters on religious knowledge and scientific knowledge as part of a whole new section on what kinds of knowledge there are In addition the text as a whole has been refreshed to keep it up to date with current developments **What is Rhetoric?** Michel Meyer,2017 This book offers a new unified approach to rhetoric a means of persuading or influencing interlocutors All the principal authors from Plato and Aristotle to contemporary theorists are integrated into Michel Meyer's problematological conception of rhetoric based on the primacy of questioning and answering in language and thought *What the HECK is Criminology?* G.
