

Loans & Bursaries

Loans and Bursaries Program

The Loans and Bursaries Program is meant for full-time students or students deemed full-time in occupational training, college or university programs. In all cases, enrolment must be in an educational institution that is recognized by the Minister.

The purpose of the program is to enable individuals with insufficient financial resources to pursue their studies by providing financial assistance. Students do, however, retain primary responsibility for the cost of their education.

What Is A Bursary Loan:

The Essential Guide to Paying for University Catherine Dawson, 2009-08-03 Parents and students alike are increasingly concerned about the rising cost of a university education and the burden of post graduation debt. However, there are long term strategies that can help to alleviate the situation and there are many bursaries and allowances that go unclaimed every year. Paying for University is aimed at anyone who needs to know all the options when planning the funding of a university course. In addition to the obvious costs, what hidden expenses can be identified? What is the real impact of variable top up fees? And how can extra funds be raised to pay for that hard won university place? With detailed chapters on both costs and potential income, this accessible book is the ultimate road map for guiding readers through the financial jungle and identifying the sources of available funding.

So You Want to be a Doctor? Stephan Sanders, Harveer Dev, David Metcalfe, 2011 The must have guide to getting into medical school. Each chapter guides you through another step of the process from deciding if medicine is for you and choosing a medical school to passing the UKCAT and BMAT exams, applying to Oxbridge and getting through the interview.
