Paradigm shift towards a spiritual worldview Franz Günter Leicht,2021-06-22 Since the middle end of 1993 I have been grappling intensively with questions about our existence This book is the result of my long term study with which I have tried to inspect our current worldview the materialistic worldview It shows that the sciences have come up with answers that question their own assumptions and ideas about this world E g the world famous physicist Stephen W Hawking said that it is not really possible for physics to clarify whether the material world is a real world According to the latest findings in physics the material world can also be an imaginary world I m investigating this question in detail and come to the conclusion that we need a new worldview This is the spiritual worldview This new worldview clearly states that there is a non material spirit that is responsible for the material world What this means for each and every one of us is revealed in this study *God is the Biggest Joker of All* S. Alicja Jones,2002 Know your power to heal words can destroy you or heal you act like a balm a solvent a solution to a problem What to do What to do Air your grievances and allow the other person to air his or hers Just as you want to be listened to listen to the other Honor their perspective Their perspective comes from their perception All perception comes from the ego The ego is insane Therefore all perception will be distorted Everything is seen through the filter of your experience Learn to replace perception with knowing Knowing comes from the Truth Knowing comes from the Divine from Spirit Knowing is part of the Oneness of Me of Who I Am of Who You Are You are One with Me One with the Father We are One One Being One Substance One Light You are the Light of the World Just as you cannot separate the different particles of Light from the whole we cannot separate you from the whole We see you as One The kingdom of God is within you I AM within you You are within Me There is nothing else You only understand the connection to Me by going

within You reach Me from within There is nothing outside of you but what you put there You look outside of yourself for validation of everything You won't find it there It doesn't exist outside of self It exists within From God is the Biggest Joker of All
