What Jesus Meant Garry Wills:

What Jesus Meant Garry Wills, 2006-03-02 Garry Wills brings his signature brand of erudite unorthodox thinking to his latest book of revelations A tour de force and a profound show of faith O the Oprah Magazine Look out for a new book from Garry Wills What The Qur an Meant coming fall 2017 In what are billed culture wars people on the political right and the political left cite Jesus as endorsing their views But in this New York Times bestselling masterpiece Garry Wills argues that Jesus subscribed to no political program He was far more radical than that In a fresh reading of the gospels Wills explores the meaning of the reign of heaven Jesus not only promised for the future but brought with him into this life It is only by dodges and evasions that people misrepresent what Jesus plainly had to say against power the wealthy and religion itself But Wills is just as critical of those who would make Jesus a mere ethical teacher ignoring or playing down his divinity An illuminating analysis for believers and nonbelievers alike What Jesus Meant is a brilliant addition to our national conversation on religion

What the Gospels Meant Garry Wills, 2008 Presents a biblical analysis of the gospels of Matthew Mark Luke and John evaluating each for their evangelistic style and goals while revealing key differences in how each writer portrayed Jesus

What Paul Meant Garry Wills, 2007-09-25 If you think you knew Paul get ready to have all sorts of cherished preconceptions exhilaratingly stripped away If you ve ever been vaguely curious there is no finer introduction Los Angeles Times Look out for a new book from Garry Wills What The Qur an Meant coming fall 2017 In his New York Times bestsellers What Jesus Meant and What the Gospels Meant Garry Wills offers fresh and incisive readings of Jesus teachings and the four gospels Here Wills turns to Paul the Apostle whose writings have provoked controversy throughout Christian history Upending many common assumptions Wills argues eloquently that Paul s teachings are not opposed to Jesus message Rather the best way to know Jesus is to discover Paul In this stimulating and masterly analysis Wills illuminates how Paul writing on the road and in the heat of the moment and often in the midst of controversy galvanized a movement and offers us the best reflection of those early times

Why Priests? Garry Wills, 2014-01-28 New York Times bestselling author Garry Wills provides a provocative analysis of the theological and historical basis for the priesthood In a riveting and provocative tour de force from the author of What Jesus Meant Pulitzer Prize winner Garry Wills poses the challenging question Why did the priesthood develop in a religion that began without it and indeed was opposed to it Why Priests argues brilliantly and persuasively for a radical re envisioning of the role of the church as the Body of Christ and for a new and better understanding of the very basis of Christian belief As Wills emphasizes the stakes for the writer and the church are high for without the priesthood there would be no belief in an apostolic succession the real presence in the Eucharist the sacrificial interpretation of the Mass and the ransom theory of redemption This superb study of the origins of the priesthood stands as Wills s towering achievement and will be of interest to all inquiring minds believers and non believers alike [The Rosary](#)

Garry Wills, 2006-10-31 Look out for a new book from Garry Wills What The Qur an Meant coming fall 2017 In an age when

self help methods abound and meditation is a common prescriptive Garry Wills one of the most respected writers on religious topics today offers an extraordinary journey through one of the oldest aids to spiritual contemplation Drawing together history and readings from scripture Wills explains the beads on the rosary and the moments in Christ s life they represent illustrating each mystery with a stunning Tintoretto painting The result is an illuminating and poignant exploration of the power of prayer that will edify and inspire readers

What Jesus Meant Garry Wills,2006 In what are billed as culture wars people on the political right and the political left cite Jesus as endorsing their views Garry Wills argues that Jesus subscribed to no political program He was far more radical than that In a fresh reading of the gospels Wills explores the meaning of the reign of heaven Jesus not only promised for the future but brought with him into this life It is only by dodges and evasions that people misrepresent what Jesus plainly had to say against power the wealthy and religion itself Jesus came from the lower class the working class and he spoke to and for that class This is a book that will challenge the assumptions of almost everyone who brings religion into politics Christian socialists as well as biblical theocrats But Wills is just as critical of those who would make Jesus a mere ethical teacher ignoring or playing down his divinity Jesus without the Resurrection is simply not the Jesus of the gospels

Besides the Bible Dan Gibson,Jordan Green,John Pattison,2012-01-04 How do you decide what to read Dan Gibson Jordan Green and John Pattison have created this tool to make your choices easier Besides the Bible is a guide to the wide array of great books that they believe every Christian should read the ones that matter to the church and the world

Bomb Power Garry Wills,2011-01-25 From Pulitzer Prize winning historian Garry Wills a groundbreaking examination of how the atomic bomb profoundly altered the nature of American democracy and has left us in a state of war alert ever since Look out for a new book from Garry Wills What the Qur an Meant coming fall 2017 In Bomb Power Garry Wills reveals how the atomic bomb transformed our nation down to its deepest constitutional roots by dramatically increasing the power of the modern presidency and redefining the government as a national security state in ways still felt today A masterful reckoning from one of America s preeminent historians Bomb Power draws a direct line from the Manhattan Project to the usurpations of George W Bush The invention of the atomic bomb was a triumph of official secrecy and military discipline the project was covertly funded at the behest of the president and despite its massive scale never discovered by Congress or the press This concealment was perhaps to be expected in wartime but Wills persuasively argues that the Manhattan Project then became a model for the covert operations and overt authority that have defined American government in the nuclear era The wartime emergency put in place during World War II extended into the Cold War and finally the war on terror leaving us in a state of continuous war alert for sixty eight years and counting The bomb forever changed the institution of the presidency since only the president controls the button and by extension the fate of the world Wills underscores how radical a break this was from the division of powers established by our founding fathers and how it in turn has enfeebled Congress and the courts The bomb also placed new emphasis on the president s military role

creating a cult around the commander in chief The tendency of modern presidents to flaunt military airs Wills points out is entirely a postbomb phenomenon Finally the Manhattan Project inspired the vast secretive apparatus of the national security state including intelligence agencies such as the CIA and NSA which remain largely unaccountable to Congress and the American people Wills recounts how following World War II presidential power increased decade by decade until reaching its stunning apogee with the Bush administration Both provocative and illuminating Bomb Power casts the history of the postwar period in a new light and sounds an alarm about the continued threat to our Constitution Banned Questions

About the Bible Christian D Piatt,2011-03-31 From Christian Piatt When I was a teenager my youth minister threw a bible at my head for asking questions Too often for various reasons people don t have the opportunity to ask the hard questions they have about faith religion salvation and the bible And when questions are left unanswered in communities of faith people either seek answers elsewhere or lose interest all together The purpose of the series is to collect the most compelling and challenging questions from various theological areas and pose them to a panel of experts who are challenged with responding in two hundred words or less in plain English This volume addresses challenging or controversial questions about scripture collected from people on Facebook MySpace Twitter and other social networking media Respondents include theology professors clergy lay leaders liberals conservatives and voices representing a spectrum of views The idea behind the books is not so much to provide definitive answers as it is to stimulate thought reflection and discussion By offering multiple perspectives readers have the opportunity to arrive at their own questions Better they come to understand that questioning faith is not taboo but rather that it can be at the foundation of a strong and growing faith The directive given to each respondent guided them to be concise and to speak in plain language but also not to rely exclusively on the Bible says it justifications or to wax abstract or overly intellectual Instead they write from personal experience as much as possible and provide real life contexts that will allow the average seeker or churchgoer to apply such ideas to their daily lives Faith

Never Stands Alone Ronald Higdon,2023-01-03 The relationship between faith and action has troubled Christians since there have been any Christians to be troubled Is there such a thing as faith without works Can faith be grown and if so how Ron Higdon drawing on a lifetime of ministry experience and study sets out to help with these questions He teaches that faith is a risky business it is always connected to action it doesn t protect us from life s difficulties and tragedies In fact it appears faith can be hard work Each chapter includes introductory ideas with biblical sources followed by reflection a section of quotations to drive your thinking a few conclusions and then thought questions This is a practical book designed and intended to help you live out your life as a Christian It is suitable for individual reading and study but also well laid out for small group or Sunday School usage **Scoffing at Scripture** Frank Bolger Kelly,2011-02 A former Roman Catholic Frank Bolger Kelly has long wondered why thinking humans as a whole in the 21st century have not yet been able to disentrall themselves from the demonstrable falsehoods and sectarian nonsense of organized religion A few years ago Kelly decided to sit down with the

sacred scriptures of several of the world's major religions the alleged bedrocks of these various creeds in a last ditch effort to achieve holy inspiration Instead he became wholly disenchanted and Scoffing at Scripture A Commoner Reads the World's Holy Writ and Rejects Traditional Religion is the result Far from representing that all elusive Word of God creedal scripture the world over it seems to Kelly merely cloaks the tribal agendas and cultural designs of the world's priestly and virtually all-male elites With the general reader in mind the author has grouped together a series of compact discussions of religion and scripture for cross-cultural comparative reference Kelly's intent is to facilitate critical analysis of the world's holy writ and in particular to encourage younger skeptical readers of a secular mind to confront the doctrinal scriptural and ritual absurdities of those faiths into which they were born and continue to be indoctrinated Frank Bolger Kelly grew up in an Irish Catholic family in the Bronx New York matriculated to a noted Jesuit college in New England and subsequently did time at a prestigious non-sectarian institution of higher learning in the Midwest It was during his enlightening time at the latter that Kelly first began seriously to question not only his own religious upbringing but the scriptural bases of all the world's major religions Kelly was quickly convinced that the vast majority of the faithful the world over commoners like himself just might reconsider their religious roots and motivations in a new light if they actually bothered to immerse themselves for a time in their own sacred scriptures rather than merely fake familiarity with them Actually to read scripture in all its antiquated tendentious sectarian absurdity Kelly reasoned is to take a first giant step in renouncing irrational creeds of all kinds Thus was born Scoffing at Scripture A Commoner Reads the World's Holy Writ and Rejects Traditional Religion a book from which the author hopes the open-minded reader will draw a secularly pure spiritual sustenance

Preaching the Sermon on Themount , The End of Christianity John W. Loftus, 2011-07-12 In this successor to his critically acclaimed anthology The Christian Delusion Why Faith Fails a former minister and now leading atheist spokesperson has assembled a stellar group of respected scholars to continue the critique of Christianity begun in the first volume Contributors include Victor Stenger Robert Price Hector Avalos Richard Carrier Keith Parsons David Eller and Taner Edis Loftus is also the author of the best-selling Why I Became an Atheist A Former Preacher Rejects Christianity Taken together the Loftus trilogy poses formidable challenges to claims for the rationality of the Christian faith Anyone with an interest in the philosophy of religion will find this compilation to be intellectually stimulating and deeply thought-provoking

The False White Gospel Jim Wallis, 2024-04-02 NOW A NEW YORK TIMES AND A USA TODAY BESTSELLER Everyone who claims to be Christian or else claims to be upset by Christianity needs to read this book especially politicians using people's supposed faith for their own ends Margaret E Atwood Jim Wallis calls the nation to grow up and he calls us all to fight the love battle to save the soul of America From the Foreword by Eddie S Glaude Jr A major new work by the New York Times bestselling author arguing that the answer to bad religion is true faith that will help refound democracy It is time says Jim Wallis to call out genuine faith specifically the Christian in White Christian Nationalism inviting all who can be persuaded to reject and help dismantle a

false gospel that propagates white supremacy and autocracy We need to raise up the faith of all of us and help those who are oblivious stuck and captive to the ideology and idolatry of White Christian Nationalism that is leading us to such great danger Wallis turns our attention to six iconic texts at the heart of what genuine biblical faith means and what Jesus in the gospels has called us to do It is time to ask anew do we believe these teachings or not This book isn't only for Christians but for all faith traditions and even those with no faith at all When we see a civic promotion of fear hate and violence for the trajectory of our politics we need a civic faith of love healing and hope to defeat it And that must involve all of us religious or not Learning to practice a politics of neighbor love will be central to the future of democracy in America And more than ever the words of Jesus ring You will know the truth and the truth will set you free [The Welcoming Congregation](#) Henry G. Brinton,2012-01-01 This practical book by pastor and writer Henry G Brinton studies the biblical basis for Christian hospitality and how it is practiced in congregations today [Jesus Goes to Washington](#) Douglas J. Miller,2013-10-10 This book explores how Christian spirituality and the political ethic of Christianity's founder Jesus of Nazareth might contribute to the most looming emergency of our day ending human misery while reducing the planet's woes It advances the new ethical paradigm of sustainability that bespeaks the longings of this remarkable Jewish peasant who elbowed his way into a world filled with social misery shame and land exploitation Donning the mantle of a prophet lawgiver he disgraced the justifying ethic of the prevailing Roman oligarchies that finds its active counterpart in today's political landscape He offered a different political path a Progressive one that led to respecting Creation and all its inhabitants Jesus helps us to cherish humane values and he urges us all Democrats and Republicans Independents and Greens religious and nonreligious to be united in fulfilling them Jesus Goes to Washington celebrates the international Earth Charter the most significant moral document of our generation Given the urgency of world calamity the charter implores us to muster every spiritual force at our disposal for immediate action Being history's most influential moral authority Jesus provides the needed impetus for achieving a just and sustainable global society **The Lost Apostle** Rena Pederson,2007-06-15 In The Lost Apostle award winning journalist Rena Pederson investigates a little known subject in early Christian history the life and times of the female apostle Junia Junia was an early convert and leading missionary whose story was lost when her name was masculinized to Junias in later centuries The Lost Apostle unfolds like a well written detective story presenting Pederson's lively search for insight and information about a woman some say was the first female apostle **The Lost Apostle, Paperback Reprint** Rena Pederson,2008-04-11 In The Lost Apostle award winning journalist Rena Pederson investigates a little known subject in early Christian history the life and times of the female apostle Junia Junia was an early convert and leading missionary whose story was lost when her name was masculinized to Junias in later centuries The Lost Apostle unfolds like a well written detective story presenting Pederson's lively search for insight and information about a woman some say was the first female apostle **Patience with God** Tomas Halik,2009-04-14 For all the debate about belief and nonbelief in today's world and how

everyone becomes pigeonholed by one or the other Tom Hal k teaches that God requires us to persevere with our doubts carry them in our hearts and allow them to lead us to maturity For Hal k patience is the main difference between faith and atheism Faith hope and love are three aspects of patience in the face of God s silence which is interpreted as the death of God by atheists and is not taken seriously enough by fundamentalists Using the gospel story of Jesus s encounter with Zacchaeus Hal k issues an invitation to all people who stand like Zacchaeus did on the sideline curious but noncommittal The fact that Jesus gravitated to the poor and the marginalized means that he also has a special place in his heart for diligent seekers on the margins of the community of believers Cinderella Church: the Story of Early Christianity R. John Kinkel, 2008-09-29 Christianity is the largest religion in the world with approximately 2.1 billion adherents Nonetheless when measured by the gold standard early Christian teachings and practice we find considerable slippage Two words describe current church problems and failures dull and devious At the highest levels of Catholic leadership for example we find scandals galore Top officials pilfer 40 million in Detroit to build national shrines Cardinals and bishops cover up priest sexual abuse and the pope most recently ignores high ranking bishops and cardinals pleas to allow Catholics to use condoms to prevent the spread of HIV AIDS That is the devious part At the lower end of the totem pole are priests and laity that just don t get it They say their prayers go to mass and have their baptisms they wonder why their kids don t go to church any more Not enough priests We will close the small churches and build a mega church One small city in Wisconsin pop 40 000 did this at the cost of 12 million Care to measure the cost of celibacy Pay pray and obey is the mantra and the young people don t like it Little wonder that only 1 in 3 Christians practice their faith to any appreciable degree and fail to pass religious traditions on to the next generation Instead of going after the lost sheep the pope says maybe we need a small dedicated remnant of believers Interesting strategy when you have driven the sheep away with questionable policies no women priests no married priests no condoms to fight AIDS
