Now freshly returned from training at Quantico, FBI agent Liv Bergen is thrown into her first professional case. Working side by side with veteran agent Streeter Pierce, enigmatic agent and lover Jack Linwood, and her bloodhound Beulah, Liv must race to find five-year-old Max, last seen at the Denver International Airport, before this Christmastime abduction turns deadly. Meanwhile, Noah, housebound, becomes wrapped up in identifying the young face he sees watching him from his neighbor's bedroom window, but he can neither describe nor inscribe what he knows. And his investigation may lead to Noah paying the ultimate price in fulfilling his dream. Noah's Rainy Day, the fourth novel in Brannan's mystery series, combines classic Liv Bergen irreverence and brainpower with an unflinching look at the darkest of human motivations, all while a whirlpool of increasingly terrifying events threatens to engulf Liv and Noah both in one final rainy day.
