He just knew that he left and Drew's heart had been slowly dying ever since. When he attends a party with his roommate, he never expects to find his ex-lover or to discover the world Garret had been hiding from him. From the moment they met, Garret LaGaffe never wanted to leave Drew, but he felt he had no other choice when he was ordered home by his Electus. Drew is human, and bringing him back to a vampire tribe could have endangered Drew more than Garret was willing to allow. Giving Drew up was a better choice, or so Garret believed, until Drew showed up at a party hosted by his tribe. Misunderstandings and hard decisions add to an already dangerous situation as Garret tries to find a way to have Drew in his life without putting the man in danger. When all of his effort results in the very thing he was working so hard to avoid, can Garret put aside his fear long enough to rescue his anamchara or will he lose Drew to his fears? Jesse is human, who has a bad track record of putting his needs above others, but he has his reasons. When he meets Kerry under unusual circumstances, the life he has been fighting so hard to obtain is handed to him on a silver platter. But this gift has strings.
