When Broken Glass Floats Growing Up Under The Khmer Rouge:

When Broken Glass Floats Chanrithy Him, 2001-04-17 A gut wrenching story told with honesty restraint and dignity Ha Jin National Book Award winning author of *Waiting* Chanrithy Him felt compelled to tell of surviving life under the Khmer Rouge in a way worthy of the suffering which I endured as a child In a mesmerizing story Chanrithy Him vividly recounts her trek through the hell of the killing fields She gives us a child's eye view of a Cambodia where rudimentary labor camps for both adults and children are the norm and modern technology no longer exists Death becomes a companion in the camps along with illness Yet through the terror the members of Chanrithy's family remain loyal to one another and she and her siblings who survive will find redeemed lives in America A Finalist for the Kiriya Pacific Rim Book Prize

The Barter Economy of the Khmer Rouge Labor Camps Scott Pribble, 2023-07-21 Pribble investigates the barter economies that developed in many of the labor camps established under the Khmer Rouge in Cambodia When the Khmer Rouge abolished currency and markets in 1975 starving Cambodians created underground exchanges in labor camps throughout the country bartering luxury items for food and other necessities while simultaneously undermining the regime's ideological goals of eliminating any traces of capitalism in Democratic Kampuchea Pribble asserts three key points about the barter economy in the Khmer Rouge labor camps First the underground exchanges in Democratic Kampuchea provided food and medicine for desperate people subsisting under a totalitarian regime saving the lives of countless Cambodians Second bartering was the riskiest way to obtain food because it was dependent upon the discretion of two or more individuals from different social classes under the threat of violent punishment thereby altering the social dynamics of the camps Finally despite the regime's extreme efforts to eliminate foreign influence from the country and impose communist ideology on millions of citizens basic forms of market capitalism and a demand for superfluous luxury goods persisted in labor camps throughout the country A fascinating study of the human consequences of imposing rigid ideology that will be of particular interest to scholars and students of political history and Southeast Asian history The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Lost Goddesses Trudy Jacobsen, 2008 Women had a high status in premodern Southeast Asia this is constantly stated especially in relation to discussions on the status of women today in the region Why then is it that the position of women there today is far

from equitable Few studies have examined how when or even why this change came about This is the first study ever to address the place of women in Cambodian history A narrative and visual tour de force it revises accepted perspectives in the history and geopolitical organization of Cambodia since c 230 C E In so doing the book examines the relationship between women and power and analyzes the extent of female political and economic participation as revealed in historical sources including the ways in which women were represented in art and literature

Asian American Literature and the Environment Lorna Fitzsimmons, Youngsuk Chae, Bella Adams, 2014-10-24 This book is a ground breaking transnational study of representations of the environment in Asian American literature Extending and renewing Asian American studies and ecocriticism by drawing the two fields into deeper dialogue it brings Asian American writers to the center of ecocritical studies This collection demonstrates the distinctiveness of Asian American writers positions on topics of major concern today environmental justice identity and the land war environments consumption urban environments and the environment and creativity Represented authors include Amy Tan Maxine Hong Kingston Ruth Ozeki Ha Jin Fae Myenne Ng Le Ly Hayslip Lan Cao Mitsuye Yamada Lawson Fusao Inada Jeanne Wakatsuki Houston Milton Murayama Don Lee and Hisaye Yamamoto These writers provide a range of perspectives on the historical social psychological economic philosophical and aesthetic responses of Asian Americans to the environment conceived in relation to labor racism immigration domesticity global capitalism relocation pollution violence and religion Contributors apply a diversity of critical frameworks including critical radical race studies counter memory studies ecofeminism and geomantic criticism The book presents a compelling and timely green perspective through which to understand key works of Asian American literature and leads the field of ecocriticism into neglected terrain

Form and Transformation in Asian American Literature Xiaojing Zhou, Samina Najmi, 2011-07-01 This critical anthology draws on current theoretical movements to examine the breadth of Asian American literature from the earliest to the most recent writers Covering fiction essays poetry short stories ethnography and autobiography Form and Transformation in Asian American Literature advances the development of a theoretically informed historically and culturally specific methodology for studying this increasingly complex field The essays in this anthology probe into hotly debated issues as well as understudied topics including the relations between Asian American and other minority American writings

Culture and Performance Vikki Bell, 2007-03-01 Cultural theory has taken a performative turn shifting its focus from the textual nature of the world to how the social world is narrated its subjects are subjected and its relations are ritually enacted The rise of performativity in cultural theory spearheaded in many ways by feminist theory has profound implications for the way we think about ethics and politics Indeed as it concerns all aspects of difference it reshapes the ways we think about the continuities and interruptions of social life itself Culture and Performance explores the development and direction of the notion of performativity It interrogates the idea of subjectivity the possibility of ethics and beyond this it explores new ways of thinking political imaginations and possibilities It traces the implications of the concept and assesses the critique that is

Almost All Aliens Paul Spickard,2009-05-07 Almost All Aliens offers a unique reinterpretation of immigration in the history of the United States Leaving behind the traditional melting pot model of immigrant assimilation Paul Spickard puts forward a fresh and provocative reconceptualization that embraces the multicultural reality of immigration that has always existed in the United States His astute study illustrates the complex relationship between ethnic identity and race slavery and colonial expansion Examining not only the lives of those who crossed the Atlantic but also those who crossed the Pacific the Caribbean and the North American Borderlands Almost All Aliens provides a distinct inclusive analysis of immigration and identity in the United States from 1600 until the present For additional information and classroom resources please visit the Almost All Aliens companion website at www.routledge.com/textbooks/almostallaliens

Plight and Fate of Women During and Following Genocide Samuel Totten,2017-10-19 The plight and fate of female victims during the course of genocide is radically and profoundly different from their male counterparts Like males female victims suffer demonization ostracism discrimination and deprivation of their basic human rights They are often rounded up deported and killed But unlike most men women are subjected to rape gang rape and mass rape Such assaults and degradation can and often do result in horrible injuries to their reproductive systems and unwanted pregnancies This volume

takes one stride towards assessing these grievances and argues against policies calculated to continue such indifference to great human suffering The horror and pain suffered by females does not end with the act of rape There is always the fear and reality of being infected with HIV AIDS Concomitantly there is the possibility of becoming pregnant Then there is the birth of the babies For some the very sight of the babies and children reminds mothers of the horrific violations they suffered When mothers harbor deep seated hatred or disdain for such children it results in more misery The hatred may be so great that children born of rape leave home early in order to fend for themselves on the street This seventh volume in the Genocide series will provoke debate discussion reflection and ultimately action The issues presented include ongoing mass rape of girls and women during periods of war and genocide ostracism of female victims terrible psychological and physical wounds the plight of offspring resulting from rapes and the critical need for medical and psychological services *Domestic Violence in Asian-American Communities* Tuyen D. Nguyen, 2007-07-18 Domestic violence in Asian American communities remains a rarely discussed yet pervasive problem With eight chapters each dedicated to a different Asian American community the essays in this volume explore the factors involved in domestic violence in specific communities This unique project will provide an indispensable tool for scholars and researchers in social work and family studies who want to better understand the complexities of serving this growing and diverse population *From Cape Town to Kabul* Penelope Andrews, 2016-04-15 Using her experience of living under apartheid and witnessing its downfall and the subsequent creation of new governments in South Africa the author examines and compares gender inequality in societies undergoing political and economic transformation By applying this process of legal transformation as a paradigm the author applies this model to Afghanistan These two societies serve as counterpoints through which the book engages in a nuanced and novel way with the many broader issues that flow from the attempts in newly democratic societies to give effect to the promise of gender equality Developing the idea of conditional interdependence the book suggests a new approach based on the communitarian values which underpin newly democratic societies and would allow women's rights to gain momentum and reap greater benefits Broad in its thematic approach the book generates challenging and complex questions about the achievement of gender equality It will be of interest to academics interested in gender and human rights international and comparative law

Perspectives in Cross-cultural Psychiatry Anna M. Georgiopoulos, Jerrold F. Rosenbaum, 2005 This volume presents cutting edge work in cross cultural psychiatry by an international group of clinicians researchers and leaders in mental health policy The book grew out of a recent lecture series at the Massachusetts General Hospital and features contributions from diverse fields including psychiatry psychology anthropology social work social medicine and public policy The first section highlights the implications of biological and cultural diversity for psychiatric diagnosis and treatment Subsequent sections focus on psychotherapy in cross cultural contexts and international mental health policy Chapters examine a variety of patient populations including Asian African and Hispanic Americans and populations in Europe and developing countries

Escaping the Khmer Rouge Chileng Pa, Carol A. Mortland, 2017-02-10 The Khmer Rouge ruled Cambodia for three years eight months and twenty days After overthrowing Lon Nol in April 1975 and establishing a so called Democratic Kampuchea the Communist sponsored government was responsible for the deaths of as many as two million people almost one third of the country s population Here Chileng Pa vividly recalls life under the Cambodian Communists Attempting to conceal his identity as a policeman for the previous government Chileng changed his name and moved his family to the village of Prayap near the Vietnamese border In April of 1977 after two years of starvation and cruelty at the hands of the Khmer Rouge Chileng was forced to watch as Communist guerillas brutally murdered his wife and two year old son With nothing left for him in Prayap Chileng fled to Vietnam but eventually returned to Cambodia as part of a Vietnamese invasion force that would end the bloody reign of the Khmer regime In 1981 Chileng and his new family found their way to America His simple strand of remembrance serves to honor all those who died at the hands of the Khmer Rouge
