Sarah Preston,2008-03-03 The words came from his mouth Don t say anything about this to your mum She won t believe you At the age of eleven a beautiful happy girl found herself thrust into a nightmare of abuse and violation that ripped her world apart At the mercy of three men she endured a four year ordeal of sexual exploitation and degradation before eventually finding the strength to say no more Confusion and shame made her keep her secret for sixteen years This is her remarkable story Sarah has endured what no child should Subjected to extreme abuse from a family friend she turned to her father only to experience the same treatment from him Utterly devastated Sarah even started to wonder if she was somehow to blame for this most unforgivable of betrayals and was driven to attempted suicide a life was nearly destroyed by the selfishness of three deeply troubled and wicked men A survivor who has somehow found salvation Sarah s experiences bear testament to the enduring strength of the human spirit in the most unthinkable of situations Sarah s Story is a story of how love and courage eventually enabled an astonishing individual triumph over a childhood stolen by the evil of others This is not just

another story of triumph over a difficult past Sarah's story is as harrowing and moving as *A Child Called It* and will appeal to a similar audience
