Toward a Pastoral Theology of Holy Saturday Adam D. Tietje,2018-11-01 Veterans who experience the overwhelming trauma of war are often still stuck in the far country In the aftermath many feel abandoned by God Adam D Tietje suggests that Holy Saturday Christ s descent into hell is the place where God fully identifies with our God abandonment In light of the resurrection it can be seen that the complete hiddenness of God on Holy Saturday is in fact the fullness of revelation God has chosen to be revealed precisely through the cross and the grave The author takes a Chalcedonian approach to the problem of relating a theology of Holy Saturday to the psychology of trauma Through the use of this method he suggests that pastoral caregivers might understand trauma and moral injury as soul wounds Sanctuary lament and confession and forgiveness and reconciliation are found to provide a direction for the care of such wounds

Handbook to Bach's Sacred Cantata Texts Melvin P. Unger,1996-04-16 The German church cantata of the eighteenth century was the culmination of a long tradition of Lutheran sermon music that used the proclamation amplification and interpretation of scripture to teach and persuade the listener Bach s cantatas also served this didactic purpose and typically incorporate numerous allusions to scriptural passages or themes in their librettos Unfortunately many of these passages remain obscure to the twentieth century musician because they demand a much closer familiarity with the Bible than is common today The Handbook to Bach s Sacred Cantata Texts identifies scriptural references for the wording imagery and themes that Bach s listeners would have known In addition the religious or literary theme of each text is summarized within the specific context of the cantata as a whole With interlinear translations and a full complement of indexes

The Folly of Prayer Matt Woodley,2010-02-04 Prayer can feel mysteriously difficult boringly perfunctory and frustratingly out of

our control Often prayer brings us comfort but sometimes especially when there aren't easy resolutions or prayers go unanswered it intensifies and focuses our sense of longing pain and care And often God uses our times of darkness and desperation to awaken our hearts to the ache within us and the cries of those suffering around us Prayer is all about coming before God to face life head on with all its jagged edges of mystery joy longing and agony In fact says pastor Matt Woodley prayer is actually a real encounter with the untamable God and Father of our Lord Jesus Christ and therefore our experience of it should reflect the power mystery and even risk of entering into relationship with the Lord of the universe In this book Woodley strips away all the religious speak and presuppositions we have about prayer distilling it to the essence of wholehearted engagement with the living God Exploring an earthy unadorned jargon free approach to prayer Woodley unpacks a host of fresh synonyms for God encounters including prayer as desperation invocation mystery astonishment groaning and even absence These marginal ways of praying compel us to engage marginal people the desperate the groaning the victimized and the ignored As we pray God will open our eyes to the pain of the world around us With stories from his own experience and biblical and historical examples Woodley gives fresh language to describe a life grounded in prayer that leads to compassion and service
