EASYUNI Ultimate University Guide 2015 easyuni sdn bhd,2015-03-02 New Year New Possibilities Happy 2015 Time really lies and we're already on our fifth issue of the easyuni.com Ultimate University Guidebook. The start of every year is a time filled with optimism, hopes and aspirations. It's when plans and resolutions are made to achieve new breakthroughs and success. What's sad though is most people fail to realize their goals by giving up, not working hard enough or even not having the courage to see through hard times. For the most part though it's due to not being 100% absolutely clear on your goals and knowing what to do to achieve them. That's why easyuni.com was born to help students make the best possible decision for possibly the most important decision in their life: knowing what and where to study. We're super excited with our first issue of 2015 and hope it gets you pumped up to achieve your goals, face new challenges, head on, grow and discover just how awesome you are. In this issue you definitely want to check these out: Music fans can check out how to be a superstar music teacher. College life stressing you out? Read up some cool and creative ways to stay stress-free and kick butt in college. See how being a hero online gamer can possibly earn you some serious moolah. Yeah, we're awesome like that to go out of our way to give you best advice to have a rocking college life. And many more cool stuffs on school scholarships and some cool tips on how to ace your classes. Psst! We're cooking something super top secret and exciting for April's issue and because we love our student readers so much, here's a tiny teaser: it's bloody ace mate and gonna be epic. Hint: note the colloquialism and you may have an idea. Wishing you a rocking 2015 and hoping you enjoy this issue. Edwin Tay, CEO.

Global Adaptations of Community College Infrastructure Gaulee, Uttam,2018-09-07 Community colleges in America have evolved a great deal from the establishment of the first community college in Chicago 117 years ago. The idea of American community colleges serves as a catalyst for connective solutions between industry, college and the community on a global level. Global Adaptations of Community College Infrastructure provides emerging research on various contextual adaptations of the idea of the American community college as a connective solution to engaging community and industry. This research will help any nation or state forge policies on adapting the concept toward democratization of economic opportunities for all individuals as opposed to the current elitist system of higher education. Featuring coverage on a broad range of topics such as diploma pathway programs and the development of education institutions in various countries, this book is ideally designed for academicians, economic and educational policymakers, higher education professionals and individuals engaged in expansion and democratization of post-secondary education worldwide.

Inyathi Ibuzwa Kwabaphambili Babalwa Magoqwana, Siphokazi Magadla, Athambile Masola,2024-10-21 This book seeks to create a systematic, eclectic historical picture of the present and past women intellectuals, activists, artists and cultural custodians. Using the concept of ukufukama (incubate), we connect intergenerational knowledge transfer of our elders to the current struggles faced by the younger generation of women. We bring together different authors who engage the biographical and intellectual contributions of different African women and

their imagination of the democratic South Africa Writing about the various feminist intellectual traditions between the 19th and 21st centuries this book systematically pulls together oral and creative texts to recover the memories of Nosuthu Jotelo Sarah Baartman Nontsizi Mkgwetho Phyllis Ntantala Brigalia Bam Umntwana uMagogo Miriam Makeba Sibongile Khumalo Lebo Mathosa Thandiswa Mazwai Celeste Ntuli Nkosazana Dlamini Zuma Neo Mathabe among the lives and works covered here This range of voices shows that intellectual work is varied and has the ability to sit alongside each other It importantly shows that scholarship emerges through community and conversation which is to say feminist histories are created and recreated through conversations that care about women s voices stories and being in the world Ultimately we think of the women featured in this book as forming a lineage a tradition of black women s survival wisdom which facilitated change and enduring radical transformation that demands theorisation and celebration

Finweek ,2006-07 *Testing and Inclusive Schooling* Bjorn Hamre,Anne Morin,Christian Ydesen,2018-05-11 Testing and Inclusive Schooling provides a comparative perspective on seemingly incompatible global agendas and efforts to include all children in the general school system thus reducing exclusion With an examination of the international testing culture and the politics of inclusion currently permeating national school reforms this book raises a critical and constructive discussion of these movements which appear to support one another yet simultaneously offer profound contradictions With contributions from around the world the book analyses the dilemma arising between reforms that urge schools to move towards a constantly higher academic level and those who practice a politics of inclusion leading to a greater degree of student diversity The book considers the types of problems that arise when reforms implemented at the international level are transformed into policies and practices firmly placing global educational efforts into perspective by highlighting a range of different cases at both national and local levels Testing and Inclusive Schooling sheds light on new possibilities for educational improvements in global and local contexts and is essential reading for academics researchers and postgraduate students interested in international and comparative education
