He nearly runs over someone dressed entirely in black but why did they walk right in the middle of the college driveway? And who just walks off into the fog after nearly being run over? But when a splash of blood appears on a questionnaire, Jim realizes that his day isn't going to be merely bad; it's going to be the day from hell. Perhaps quite literally.

Ten interactive modules help every K-12 educator structure support in new ways, including knowing how to gradually release responsibility to students through intentional and purposeful scaffolding. Promote independence with front-end scaffolds, distributed scaffolds, back-end scaffolds.
