What I Believe:

What I Believe Bertrand Russell, Alan Ryan, 2004 I have tried to say what I think of man's place in the universe and of his possibilities of achieving the good life Preface *What I Believe* Bertrand Russell, 2004-02-24 Along with *Why I Am Not a Christian* this essay must rank as the most articulate example of Russell's famed atheism It is also one of the most notorious Used as evidence in a 1940 court case in which Russell was declared unfit to teach college level philosophy *What I Believe* was to become one of his most defining works The ideas contained within were and are controversial contentious and to the religious downright blasphemous A remarkable work it remains the best concise introduction to Russell's thought *What I Believe* Hans Küng, 2010-09-16 Hans Küng is one of the most celebrated theologians of the present day His audience which is strong within his own Roman Catholic Church is equally solid among Christians of other denominations among those outside the churches and indeed among those at the frontiers of organised religion From the start he has been a rebel being Swiss and a lover of personal freedom Many of his books such as *Infallible* and *On Being a Christian* have rocked the Papal boat Now after publishing two magnificent and acclaimed volumes of memoirs Küng has written a much shorter and more personal book to explain his own beliefs If one sets aside all scientific knowledge and learning all formal theological language and the skilful construction of theories what remains as the core of faith What do we need for our lives What is indispensable to us Küng writes of trust in life joy in life and suffering in life and in so doing gives us a summa of his own faith and life

I Know What I Believe. Sister Susan Kerr,2011-05-13 You know everyday we sit around and people say you should write a book Well I have this is it A three in one so to speak the statement clearly about what I believe I follow that up with why I believe these things to be so And then of course there is a very get real with prayer portion of this little work This whole work is about reaching an unseen God that is all powerful all knowing Who created us all If you will follow the patterns shown in this little book that you could actually read a small story at a time or a prayer a day would hopefully put a hunger in you to know the God of Creation who loved you so much that when you betrayed Him His Holiness and His true and faithful kind and gently love you who sinned against Him who created you would find a strong and living relationship with God my Father for yourself It is my will as it is God s will that NONE should leave this Earth via the portal of death or any other way and find them selves in Hell for Eternity I mean think about that Eternity is a long time and there are NO Friends there No one can make these choices for you The decision to ask God to forgive you for your own sin is between you and God alone Not Mom nor Dad no Sister or Brother can make this choice for you It is yours and yours alone God because He was rejected came in the flesh of Jesus and went to a cruel undeserved death on the cross for you because of you so you could get the forgiveness you so desperately need as do we all God has offered peace between you and Himself you must come to God through Jesus His Son there just is no other way Think it over but do not delay your

decision YOUR Eternity depends upon it YOUR CHOICE What I Believe graf Leo Tolstoy,1902 **To Those I Love sharing What I Believe** Larry V. Murphy,2014-08-29 This little book is a brief summary of the author s more prevalent spiritual beliefs and understandings The views shared are presented as quite generous comparisons to some spiritual views of the major religions of the world actually and within the spirit of true tolerance Though the author is passionate and often affirmative in his own beliefs he makes every effort to steer clear of rigid dogma In fact the book was written largely as an offering of reason the best way to counter the religious dogma already present in the world The author does not wish to open more doors for arguing and fighting rather he thinks there is much common ground where spiritual views can be jointly shared by all in unity and universal Oneness Though the author recognizes that humankind often displays great difficulty in reaching common ground for its greatest passions the author also hopes this book will open dialog toward that end
