

A THESIS STATEMENT

A **thesis statement** is a clear and concise statement that includes the gist of an essay or paper.

A good **thesis statement** must show the reader what is the main topic of the paper and what is its purpose.

The **thesis statement** is always at the beginning of the paper or essay, what means it is part of the opening paragraph.

Some **characteristics of a thesis statement** are: it must use strong and decisive language, it has to provide some basic evidence and it should provide an overview of the topic discussed.

What Is A Thesis Statement In A Essay:

The Simple Guide to Thesis Statements and Support Patricia Martin Ma Med, 2015-06-28 Are you writing a paper and confused by your teacher's instruction Do you want to help your teenager with a school essay but feel lost as to what advice to give Are you returning to school yourself after years away and find that first essay assignment overwhelming Is there a local or state issue that you need to write a legislature about but are unsure of how to structure your thoughts Everyone runs into these situations at some point People need to know how to state their viewpoints how to support their views and how to present information properly Considering that the writing process takes most writers years to perfect it is common for teenagers and professional adults alike to struggle with writing Few writers are masterful essayists when they start out Writing and supporting a strong thesis statement takes time and practice Many writers struggle with constructing a thesis and how to support one with valid information Thesis statements theses are probably the most challenging elements of essay writing In this book we attempt to present the crafting of thesis statements and their support in a simple straightforward manner Think that thesis statements are only for high school essays Think again Citizens who write letters to government representatives use thesis statements to voice their opinions and use data to support them Consumers reach out to businesses to suggest product improvements and make requests Business professionals communicate in memos emails and letters to colleagues and other businesses about products and services and they use thesis statements to make their points Like all of the books in the Simple Guide Books series *The Simple Guide to Thesis Statements and Support* is written for the person who may struggle with this topic and the person who needs basic explanations with straightforward examples The book helps students parents and professionals alike to achieve their goals of improving their writing efficiently All writers encounter thesis statements and support at some point Student writers from elementary school through graduate levels compose and defend thesis statements in essays As well workers in every profession write thesis statements for a variety of purposes

What's Within a Thesis Statement? Exploring Features of Argumentative Thesis Statements Daniel Chang, 2021

Developing strong academic writing skills often requires years of experience and training within a discipline When novice writers are asked to write an argumentative essay they are usually required to draft a thesis statement presenting their position on an issue In argumentative writing a thesis statement addresses the writer's main argument and is the foundation of the entire essay Features of thesis statements are often defined with respect to their location and length within the essay e.g. Petric 2005 or functions As a result further research exploring characteristics of argumentative thesis statements could expand understanding about the distinctive features that operationalize the quality of thesis statements Results of such research would have strong practical implications for instructors regarding what to teach about writing thesis statements In the present study four major features of thesis statements were identified context positionality reasoning and specificity Two raters were asked to assess the presence of each feature for the 78 thesis statements extracted from the argumentative essay

outlines of an education course A set of multiple regression analyses were conducted to investigate whether each feature and a composite of the four contributes to the quality of the introduction and the argumentative essay outline Key findings indicated that the context feature and the positionality feature are of importance in predicting the quality of introduction and the essay outline Based on the findings a revised version of Ken Hyland s model of argumentation is proposed and several important implications for teaching writing are recommended *Writers at Work: The Essay Student's Book* Dorothy Zemach,Lynn Stafford-Yilmaz,2008-01-14 Following on from *Writers at Work The Paragraph* and *Writers at Work the Short Composition* *Writers at Work The Essay* will teach the basics of academic essay writing to intermediate level students In *Writers at Work The Essay* college and university students use the process approach to write different genres of essays common at the post secondary level the most important being expository writing persuasive writing and timed essay exams Each chapter uses the same five step approach to writing that is used in the two lower level books In each chapter students analyze a model essay noticing key organizational and linguistic features brainstorm ideas write multiple drafts revise their work engage in peer reviews and share their finished work Chapters recycle and build upon previously taught material
