Kleptomaniac: Who's Really Robbing God Anyway? Frank Chase Jr,2016-06-14

KLEPTOMANIAC Who s Really Robbing God Anyway is a trek through the pages of the Bible to find the untwisted truth about the centuries old teachings on tithes and offerings Every page of this book has information that will make you become an analyst in getting to the bottom line of what tithing is in the Old and New Testament It takes you on a journey to first define the word tithe and then breaks down the differences between giving and tithing as the Bible instructs The author attempts to expose what most people believe as fact to bring them to what the Bible actually teaches when it comes to true giving Are the arguments put forth today about tithing fact or fiction This book tackles tough questions like did God ever require a tithe of money Was the contents of the tithe always money in the Bible Who is really robbing God today Did God change the tithe at some point in biblical history Are first fruits money Is the tithe food money or both Is the church the storehouse Did Jesus Paul and the Disciples tithe Did the early church honor a money tithe system Are Christians really cursed for not tithing ten percent of their income These questions will be answered based on scholarship the land the language and the literature of the original Biblical people Not only will questions be answered for those confused about whether or not they are required to pay ten percent of their income to any religious institution they will learn what the Bible really teaches about money and stewardship The author meticulously examines the word tithe in both the Hebrew and Greek language To understand every Bible verse that contains the word tithe the author gives context and definitive definitions for clarity of the text This book also explains the concept of giving from a New Testament perspective without the mandate of ten percent and explains why the Apostle Paul never mentioned tithing to any of the New Testament congregations From Genesis to Revelation this book is about how to properly interpret biblical terms to arrive at the proper interpretation of a biblical text that refers to money or tithing Because there are pros and cons about tithing the author examines both tithing and non tithing theological camps and presents analysis and conclusions so that the reader can make an informed choice as to how they will give in the future Since money is vital in every part of society and the church this book spends a considerable amount of time detailing how money was used in the Bible to help readers know the difference between tithes and money The tithing phenomenon has been around for centuries and this book is an expose into the how the current doctrine came into existence and who the culprits were who played a major role in what churches teach today Whether you agree or disagree with tithing as a viable doctrine KLEPTOMANIAC is a back to the past look at Israel s history and how they practiced tithing in a theocracy This book also questions how tithing practices of today affect people financially and how those practices are unlike tithing practices of yesterday Not only does this book challenge the accepted definitions of the tithe it also questions the sustainability of the current practices especially when economic times get tough for people

who may not be able to give much From the very beginning to the end of the book everything is supported by Scripture and research You will know from the onset why the author Dr Frank Chase Jr wrote the book and learn about his personal story of what happened as a result of embracing New Covenant giving principles from the New Testament Not only does the book cover the Old Testament tithe it also unveils what the New Testament teaches about giving by analyzing some of the epistles of Apostle Paul concerning his views and instructions on charitable giving The MacArthur Daily Bible John

MacArthur,2003 For Ingest Only Data needs to be cleaned up for all products being loaded **Anointing With Oil** Eastwood Anaba,2013-09-30 Using anointing oil to minister to people is a controversial issue among believers Some believers detest its use so much that they walk out of meetings when it is used The aim of this book is to give us biblical insight into the purpose of the anointing oil and how it can be used for the edification and blessing of believers With regard to this subject we don t have to condemn others for their position It is scriptural to use anointing oil in ministration but not mandatory The law of liberty allows those whose faith is enhanced by the use of the oil to use it and those whose faith does not require it not to use it Those who use it are not more spiritual than those who don t use it and those who don t use it don t necessarily have more faith in the Word of God than those who use it **The Awesome God** Bernard Tutu,2011-03-31 In this book Bernard Tutu communicates on the struggles of everyday Christians and God provided means to overcome and seek His purpose This book is an insight into the journey of any Christian Why This Book is For You You are at a crossroads or a major decision How do I find meaning and direction I dont understand the will of God You are searching for your reason to be You have missed your calling in life You have enough outer success but want to find inner peace purpose and reverence with God This book is to help Christians get focused and identify their life gifts and live a fearless life for Christ It is also intended to help all who are searching for a purpose in their life The Gifts of the Holy Spirit Garry Stopa,2012-04-18 Take an amazing journey through the tabernacle of the Old Testament This tent like structure was Gods dwelling place 3 500 years ago As a believer you are now Gods dwelling place You are the modern day tabernacle Identify the presence of the Holy Spirit in the first tabernacle and you will understand His ministry in the born again believer Discover how simple it is to enjoy the baptism of the Holy Spirit The moment you are born again your body is prepared for every gift the Spirit has to offer This lesson will reveal in the Word of God how to receive all that God has provided for you The Gifts of the Holy Spirit takes an approach unlike any other teaching on baptism in the Holy Spirit Studying both Old and New Testament you will learn how to take full advantage of this wonderful experience The Swindoll Study Bible NLT Tyndale,2018-09 Winner of the 2018 Christian Book Award for Bible of the Year The Swindoll Study Bible offers the best of Chuck Swindoll s wit charm pastoral insight and wise biblical study directly to you as you study God s Word Chuck s warm personal style comes across on every page and his informed practical insights get straight to the heart of the Bible s message for the world today Reading each part of this study Bible is like hearing Chuck speak God s Word directly to your heart It will both encourage readers faith and
