Resources in Education ,2001-10 **Popular Music, Cultural Politics and Music Education in China** Wai-Chung Ho,2016-12-08 While attention has been paid to various aspects of music education in China to date no single publication has systematically addressed the complex interplay of sociopolitical transformations underlying the development of popular music and music education in the multilevel culture of China Before the implementation of the new curriculum reforms in China at the beginning of the twenty first century there was neither Chinese nor Western popular music in textbook materials Popular culture had long been prohibited in school music education by China s strong revolutionary orientation which feared spiritual pollution by Western cultures However since the early twenty first century education reform has attempted to help students deal with experiences in their daily lives and has officially included learning the canon of popular music in the music curriculum In relation to this topic this book analyses how social transformation and cultural politics have affected community relations and the transmission of popular music through school music education Ho presents music and music education as sociopolitical constructions of nationalism and globalization Moreover how popular music is received in national and global contexts and how it affects the construction of social and musical meanings in school music education as well as the reformation of music education in mainland China is discussed Based on the perspectives of school music teachers and students the findings of the empirical studies in this book address the power and potential use of popular music in school music education as a producer and reproducer of cultural politics in the music curriculum in the mainland

Research in Education ,1971 Demystifying AI for the Enterprise Prashant Natarajan,Bob Rogers,Edward Dixon,Jonas Christensen,Kirk Borne,Leland Wilkinson,Shantha Mohan,2021-12-30 Artificial intelligence AI in its various forms machine learning chatbots robots agents etc is increasingly being seen as a core component of enterprise business workflow and information management systems The current promise and hype around AI are being driven by software vendors academic research projects and startups However we posit that the greatest promise and potential for AI lies in the enterprise with its applications touching all organizational facets With increasing business process and workflow maturity coupled with recent trends in cloud computing datafication IoT cybersecurity and advanced analytics there is an understanding that the challenges of tomorrow cannot be solely addressed by today s people processes and products There is still considerable mystery hype and fear about AI in today s world A considerable amount of current discourse focuses on a dystopian future that could adversely affect humanity Such opinions with understandable fear of the unknown don t consider the history of human innovation the current state of business and technology or the primarily augmentative nature of tomorrow s AI This book demystifies AI for the enterprise It takes readers from the basics definitions state of the art etc to a multi industry journey and concludes with expert advice on everything an organization must do to succeed Along the way we debunk myths provide practical pointers and include best practices with applicable vignettes AI brings to enterprise the capabilities that

promise new ways by which professionals can address both mundane and interesting challenges more efficiently effectively and collaboratively with humans The opportunity for tomorrow s enterprise is to augment existing teams and resources with the power of AI in order to gain competitive advantage discover new business models establish or optimize new revenues and achieve better customer and user satisfaction **Discourse in Content and Language Integrated Learning (CLIL)**

Classrooms Christiane Dalton-Puffer,2007-09-27 The label CLIL stands for classrooms where a foreign language English is used as a medium of instruction in content subjects This book provides a first in depth analysis of the kind of communicative abilities which are embodied in such CLIL classrooms It examines teacher and student talk at secondary school level from different discourse analytic angles taking into account the interpersonal pragmatics of classroom discourse and how school subjects are talked into being during lessons The analysis shows how CLIL classroom interaction is strongly shaped by its institutional context which in turn conditions the ways in which students experience use and learn the target language The research presented here suggests that CLIL programmes require more explicit language learning goals in order to fully exploit their potential for furthering the learners appropriation of a foreign language as a medium of learning *Research in Education* ,1968 **Resources in Education** ,1995 *Joseph William McKay* Greg N. Fraser,2021-07-02 An intriguing look at the accomplishments and contradictions of Joseph William McKay best known as the founder of Nanaimo BC and one of the most successful M tis men to rise through the ranks of the Hudson s Bay Company in the late nineteenth century When examining the history of British Columbia one would be hard pressed to find an Indigenous person who so successfully navigated the echelons of colonial power as did Joseph William McKay 1829 1900 McKay was M tis born in Quebec and began his career in Oregon during the dispute over the international boundary in 1845 46 After moving north he met his mentor James Douglas and at age twenty three was given the job of building the city of Nanaimo from the ground up and establishing its coal mines McKay made several exploratory trips with Douglas during the Gold Rush and he surveyed the route for the Overland Telegraph which ran throughout BC He rose through the ranks of the Hudson s Bay Company eventually earning the appointment of Chief Factor the company s highest rank This was at a time when few Indigenous employees of HBC were permitted to rise beyond the rank of postmaster After leaving the company in 1878 McKay began a second career in the Department of Indian Affairs He was a federal Indian Agent and later the Assistant Commissioner of Indian Affairs for British Columbia A product of his time who had found personal success working within the colonial system McKay is a complicated figure when viewed through a twenty first century lens He advocated on behalf of Indigenous Peoples when he tried to prevent the trespass of CPR crews and European settlers on their ancestral land Between 1886 and 1888 he personally inoculated more than a thousand Indigenous people with the smallpox vaccine Yet he also participated in a system that did untold harm to First Nations M tis and Inuit people This fascinating new biography sheds light on an accomplished and complex man *New Society* ,1974 **Monthly Catalogue, United States Public Documents** ,1978
