## Anyone Can Cook, Even the Rowers

TITLE

INTRO

They tell me my name is French for "oarsman," that I have been rowing my way uphill since I was born. They told me to stay in my lane, that I had no idea what I was doing with food. They didn't believe me about my sense of taste or smell, that I knew that one day I would be a chef until it happened.

It was a crisp fall day. Leaves scattered across the road, cushioning the footsteps of people bringing fresh baguettes home for dinner or breakfast. It is hard not to fall in love with a city like this, the way every building, street, and light can hold the potential of romance.

I saw him from the street. A garbage boy, clumsy and awkward with untied shoes and bright red hair. He was a walking disaster, unobservant of the world or people around him, barely able to hold a knife or spice a dish. You either thought him a fool, or you pitied him for not being the things he should have been. And yet, by the end of the day, he would be my closest friend who would help me achieve my dreams.

My friend and I could not speak to each other, but we had our own way of communicating, connected only by the foods we made, the relationship we learned to build in the kitchen. Most people would credit my success to impressing a food critic, making a country dish of sliced courgettes and aubergines stewed to perfection, but that is only half truth. I had the help of my patient friends, inherent sense of smell, and plenty of mistakes along the way. They call me a rower, and so I continue to row.

BODY

- Use verbs to express action and develop connections between characters and objects.
- Visualize your story to get into details and expand on physical descriptions.

CONCLUSION

# What Does A Personal Essay Consist Of

**G Psacharopoulos**

**What Does A Personal Essay Consist Of:**
