What Have I Done to You? Deborah Palmo,2021-04-29 What Have I Done to You By Deborah Palmo Dorothea Cullen is born into a family who possessed the Great Book of Spells It has been a secret kept within her family for centuries and

provided special powers to the women Dorothea never desired to use her powers however as she found herself in a happy marriage with her husband Harry After Harry s sudden death she is left a widow with no children and turns to the Great Book to search for happiness She finds a spell to cast on any unmarried man of her choosing to fall madly in love with her And who better to choose than the handsome and talented actor Lucas Hunter While Dorothea s life is now more exciting than she could have ever imagined every spell comes with a price and even she cannot escape its power **“My People, What Have I Done to You?”: The Good Friday Popule meus Verses in Chant and Exegesis, c. 380-880** Armin Karim,2014-04-04 The Roman Catholic Good Friday liturgy includes a series of chants known today as the Improperia Reproaches beginning with the following text Popule meus quid feci tibi aut in quo contristavi te responde mihi Quia eduxi te de terra Egypti parasti crucem Salvatori tuo My people what have I done to you or in what have I grieved you Answer me Because I led you out of the land of Egypt you prepared a cross for your Savior The earliest witness to the chants is a Carolingian liturgical book from around 880 but it is agreed among scholars that their history extends back farther than this Employing comparative analysis of Biblical exegesis chant texts and chant melodies this study suggests that the initial chant verse Micah 6 3 4a plus a Christianizing addendum My people you prepared originated in northwestern Italy between the end of the 4th century and the end of the 7th century and carried associations of the Last Judgment the Passion and Christian works penitence and forgiveness Although previous scholarship has sometimes pointed to the Reproaches as a key text of Christian anti Jewish history it is clear that the initial three verses the Popule meus verses originally held allegorical rather than literal meanings The fact that there are several preserved Popule meus chants across various liturgical repertoires and moreover several sets of Popule meus verses in a smaller subset of these repertoires in northern Italy southern France and the Spanish March bespeaks the pre Carolingian origins of the Popule meus verses and raises the question of why the verses appear in the Carolingian liturgy when they do This study proposes that the Popule meus verses were incorporated into the Carolingian liturgy at the Abbey of Saint Denis under the abbacy of Charles the Bald 867 77 In the Adoration of the Cross ceremony adopted from Rome paired with the Greek Trisagion and carrying Gallican melody and meaning the Carolingian Popule meus verses would have been an ecumenical declaration as they spread of the expediency of the crucified Christ and a penitent people even in the face of impending political disintegration *What Have You Done Now, Eugene?* Gene Mingo,2012-09-20 Gene Mingo grew up as a mischievous kid in Akron Ohio with a challenging childhood and love for high school football After a stint in the US Navy he found his way back to football In 1960 he joined the American Football League as a placekicker halfback and return specialist for the Denver Broncosbut that was just the beginning Gene has been inducted into the America Football League Hall of Fame reflecting an illustrious career that included the first punt return for a touchdown in the AFL and two years spent leading the AFL in scoring History considers him to have been the first African American placekicker in the AFL Life isnt lived only on the football field however outside the game number twenty one had

troubles Perhaps due to finding success too quickly Gene developed a tendency to fall in with a bad crowd His poor choices led to near tragedy but he always found a home on the football field Gene Mingos story isnt simple It wasnt easy being a black man in a white mans world and Gene had some internal demons of his own as well Still his story is that of legend and the trials and tribulations of this spectacular athlete deserve to be remembered forever **What Have They Done with**

can have one traumatic experience in life and that experience can determine the course of the rest of his or her life One experience gave the author the idea for this manuscript When the author saw people demonstrating at the Michigan State Capitol during the pandemic when the governor ordered lockdowns that is when he asked the question Is this what they will be telling their grandchildren and great grandchildren thirty or forty years from now Is this what they did with that moment in time Then he looked at famous people who went on long before us and he asked them what they have done with their moment Some great entertainers some great sporting figures some great African American inventors and current famous politicians Then he concluded that our lives are filled with moments This author concludes that your moment is your life However you don t go up to someone and ask them what they have done with their life because people might not be satisfied with how their life turned out This question causes them to rationalize Ask them what they have done with their moment and they will talk to you all day **What Have Charities Ever Done for Us?** Stephen Cook,Tania Mason,2021-04-13 When the
