**No Place I'd Rather Be** Cathy Lamb, 2017-08-29 The discovery of a family cookbook changes the life of a beleaguered woman in this novel by the author of *The Language of Sisters*. Two years ago Olivia Martindale left behind her Montana hometown and her husband Jace, certain it was the best decision for both of them. Back temporarily to protect her almost adopted daughters from their biological mother, she discovers an old handwritten cookbook in the attic. Its pages are stained and torn, their edges scorched by flame. Some have been smeared by water or tears. The recipes are written in different hands and in different languages. In between the pages are intriguing mementos including a feather, a pressed rose, a charm, and unfamiliar photographs. Hoping the recipes will offer a window into her grandmother's closely guarded past, Olivia decides to make each dish along with their favorite family cake recipes and records her attempts. The result, like much of her life to date, involves a parade of near disasters and chaotic appearances by her doctor mother, her blunt grandma, her short-tempered sister, and Olivia's two hilarious daughters. The project is messy, real, and an unintended hit with viewers. Even more surprising is the family history Olivia is uncovering and her own reemerging ties to Montana and to Jace. Generations of women have shared these recipes, offering strength and nourishment to each other and their loved ones. Now it's Olivia's turn to find healing and determine where her home and her heart truly belong. Praise for Cathy Lamb: This finely pitched family melodrama is balanced with enough gallows humor and idiosyncratic characters to make it positively irresistible. *Publishers Weekly* on *Henry's Sisters*.

**The Language of Sisters** Cathy Lamb, 2016-08-30 A family of Russian refugees juggles their haunting past with their challenging present in this novel by the author of *My Very Best Friend*. Sometimes Toni Kozlovsky and her sisters know what each other is thinking just when they need it most. Since Toni, Valerie, and Ellie were little girls growing up in Communist Russia, their parents have insisted it's simply further proof that the Kozlovskys are special and different. Now a reporter, Toni lives on a yellow tugboat on Oregon's Willamette River. As far as her parents are concerned, the pain of their old life and their dangerous escape should remain buried in the Moscow they left behind, as should the mysterious past of their adopted brother Dmitry. But lately Toni's talent for putting on a smile isn't enough to keep memories at bay. Valerie, a prosecuting attorney, wages constant war against the wrongs she could do nothing about as a child. Youngest sister Ellie is engaged to marry an Italian, breaking her mother's heart in the process. Toni fears she's about to lose her home while the hard-edged DEA agent down the dock keeps trying to break through her reserve. Meanwhile, beneath the culture clashes and endearing quirks within her huge, noisy, loving family are deeper secrets that Toni has sworn to keep even from the one person she longs to help most. Lamb draws readers into the

embrace of Toni's eccentric and loud extended family who inject regular bouts of humor into the story while their love for one another is palpable. The joy of this intricate story is following these characters and their warm and compelling development. Library Journal

**A Very Merry Christmas** Cathy Lamb, 2016-10-25 A Montana B & B owner butts heads with a confident millionaire in this gentle Christmas romance story by the author of *Julia's Chocolates*. Some people careen through life trailing chaos in their wake. Others get to pick up the pieces. Meredith Ghirlandaio is generally in the latter category, especially when it comes to her irresponsible sister Leia. Leia's latest move, abandoning her two children while she runs off to rediscover herself, Meredith immediately steps up, bringing rebellious Sarah and withdrawn Jacob back to her hometown of Telena, Montana, where she opens a B & B. Despite the Merry Meredith nickname she earns from her guests, she's too wary and too busy to get involved with any man. Especially one like handsome, self-assured Logan Taylor. But Logan's not easy to shake and makes it plain that he's drawn to everything about Meredith: her tough talk and her cowboy hats, her softness and her strength. Roped into chairing the Telena Christmas concert, Meredith brings townsfolk of all ages together to share stories, talents, and rehearsal potluck dinners. Little by little, she's opening up too. And in between navigating the lessons of the past and acknowledging her own hopes for holidays yet to come, she's learning that all the gifts she really needs are right there waiting if only she'll claim them. Previously published in *Holiday Magic*.
