Therefore show them that when someone argues with them then they can discuss their differences peacefully. A good parent should set boundaries. For example, bedtimes, and curfews so they know that parents care and try to make feel safe by the boundaries.

The third quality of good parents is spending a time with your children. It is necessary for parents should spend time with children. A parent should take some time from work and spend time with them by attending a school function, do homework with them, and visit their teacher at the open house. If a parent spends time with children they will love it and they will remember that my parents attended my school function. Spend time with children thirty minutes every day. Try to spend time during dinner and talk big and small problems with them. Try to go out for blowing, plan a vacation, a visit to grandparents, and many more things.

By spending time with them they will try to communicate more and tell every big or small problem with you. They also start caring about you and give more respect.
