**In a Bad State** David Schleicher,2023 In a Bad State provides the first comprehensive history and theory of how the federal government has addressed subnational debt crises Tracing the long history of public budgeting at the state and local level David Schleicher argues that federal officials face a trilemma when a state or city nears default

But whether they demand state austerity permit state defaults or provide bailouts and all have been tried federal officials can only achieve two out of three goals at best Authoritative and accessible this book is a guide to understanding the pressing problems that local state and federal officials currently face and the policy options they possess for responding **A Debt Restructuring Mechanism for Sovereigns** Christoph G Paulus,2014-12-01 The Eurozone crisis which started in spring 2010 as a Greek budget crisis has alerted Europeans that the issue of defaulting sovereigns is not one reserved just for the poor and poorest countries on this globe The crisis painfully amplified that developed countries too might be hit by this phenomenon To be sure this insight is far from novel the history of defaulting states reaches back into history for at least two millennia And yet lawyers have surprisingly abstained more or less completely from discussing this subject and developing possible solutions Beginning with the Argentina crisis in 2001 this neglect began to vanish to a certain degree and this movement got some momentum in 2010 by the Eurozone crisis The present book collects contributions from authors most of whom have participated in a conference on this issue in January 2012 at the Humboldt Universit t zu Berlin The presentations thus provide a unique overview of the present discussion both from an economic and legal perspective

**Municipalities in Financial Distress** Eugenio Vaccari,Laura N. Coordes,Yseult Marique,Geo Quinot,2025-03-12 This is an open access title available under the terms of a CC BY NC ND 4 0 License It is free to read download and share on Elgaronline com This timely book argues that long term recovery and sustainability for municipalities in financial distress requires a modularly tailored decision making process incorporating environmental social and governance ESG considerations **When States Go Broke** Peter Conti-Brown,David A. Skeel (Jr.),2012-05-21 When States Go Broke discusses the ongoing fiscal crisis among the American states
