## **What Is The Book Frankenstein By Mary Shelley About:**

Frankenstein Mary Shelley, 2003-09-30 Nominated as one of America's best loved novels by PBS's The Great American Read I saw the pale student of unhallowed arts kneeling beside the thing he had put together I saw the hideous phantasm of a man stretched out and then on the working of some powerful engine show signs of life and stir with an uneasy half vital motion A summer evening's ghost stories lonely insomnia in a moonlit Alpine room and a runaway imagination fired by philosophical discussions with Lord Byron and Percy Bysshe Shelley about science galvanism and the origins of life conspired to produce for Mary Shelley this haunting night specter By morning it had become the germ of her Romantic masterpiece Frankenstein Written in 1816 when she was only nineteen Mary Shelley's novel of The Modern Prometheus chillingly dramatized the dangerous potential of life begotten upon a laboratory table A frightening creation myth for our own time Frankenstein remains one of the greatest horror stories ever written and is an undisputed classic of its kind Frankenstein Mary Shelley, 2013-12-03 The story of Victor Frankenstein's monstrous creation and the havoc it caused has enthralled generations of readers and inspired countless writers of horror and suspense With the author's own 1831 introduction

*Frankenstein* Mary Shelley, 2017-09-03 Mary Shelley began writing Frankenstein book when she was only eighteen At once a Gothic thriller a passionate romance and a cautionary tale about the dangers of science Frankenstein tells the story of committed science student Victor Frankenstein Obsessed with discovering the cause of generation and life and bestowing animation upon lifeless matter Frankenstein assembles a human being from stolen body parts but upon bringing it to life he recoils in horror at the creature's hideousness Tormented by isolation and loneliness the once innocent creature turns to evil and unleashes a campaign of murderous revenge against his creator Frankenstein Frankenstein an instant bestseller and an important ancestor of both the horror and science fiction genres not only tells a terrifying story but also raises profound disturbing questions about the very nature of life and the place of humankind within the cosmos What does it mean to be human What responsibilities do we have to each other How far can we go in tampering with Nature In our age filled with news of organ donation genetic engineering and bio terrorism these questions are more relevant than ever About Mary Wollstonecraft Shelley Mary Shelley Mary Wollstonecraft Godwin often known as Mary Wollstonecraft Shelley was a British novelist short story writer dramatist essayist biographer travel writer and editor of the works of her husband Romantic poet and philosopher Percy Bysshe Shelley She was the daughter of the political philosopher William Godwin and the writer philosopher and feminist Mary Wollstonecraft Mary Shelley was taken seriously as a writer in her own lifetime though reviewers often missed the political edge to her novels After her death however she was chiefly remembered only as the wife of Percy Bysshe Shelley and as the author of Frankenstein It was not until 1989 when Emily Sunstein published her prizewinning biography Mary Shelley Romance and Reality that a full length scholarly biography analyzing all of Shelley's letters journals and works within their historical context was published It was better than I expected it to be I have little

interest for modern day horror stories and I expected the book to be no different However I was corrected This Frankenstein book has a good element of Romanticism in it and the eloquent descriptions of human condition captured my interest I am reading this for a grade 11 English class and am considering buying a copy of the book to keep in my library So many great lessons in this book I felt so many mixed emotions for the monster pity understanding sorrow love I read it for school and fell in love with it How did you feel towards the monster

**The Essential Frankenstein** Mary Wollstonecraft Shelley,1993

The definitive annotated edition of Mary Shelley s classic novel Frankenstein / Mary Shelley Mary Shelley,2021-07-11

More than 200 years after it was first published Mary Shelley s Frankenstein has stood the test of time as a gothic masterpiece a classic work of horror that blurs the line between man and monster If I cannot inspire love I will cause fear For centuries the story of Victor Frankenstein and the monster he created has held readers spellbound On the surface it is a novel of tense and steadily mounting dread On a more profound level it illuminates the triumph and tragedy of the human condition in its portrayal of a scientist who oversteps the bounds of conscience and of a creature tortured by the solitude of a world in which he does not belong A novel of almost hallucinatory intensity Mary Shelley s Frankenstein represents one of the most striking flowerings of the Romantic imagination

**Frankenstein** Mary Wollstonecraft Shelley,1995 I saw the pale student of unhallowed arts kneeling beside the thing he had put together I saw the hideous phantasm of a man stretched out and then on the working of some powerful engine show signs of life and stir with an uneasy half vital motion A summer evening s ghost stories lonely insomnia in a moonlit Alpine s room and a runaway imagination fired by philosophical discussions with Lord Byron and Percy Bysshe Shelley about science galvanism and the origins of life conspired to produce for Marry Shelley this haunting night specter By morning it had become the germ of her Romantic masterpiece Frankenstein Written in 1816 when she was only nineteen Mary Shelley s novel of The Modern Prometheus chillingly dramatized the dangerous potential of life begotten upon a laboratory table A frightening creation myth for our own time Frankenstein remains one of the greatest horror stories ever written and is an undisputed classic of its kind

**Frankenstein, Or, The Modern Prometheus : with Connections** Mary Wollstonecraft Shelley,1999 The California edition of the Pennyroyal Press Frankenstein unites the dark side of Barry Moser s art with the classic 1818 text of Mary Shelley s tale of moral transfiguration In a vivid sequence of woodcuts the reader witnesses the birth of the monster as Moser shapes him from darkness and gives him a form simultaneously ghastly in its malice and transfixing in its suffering

Frankenstein - Third Edition Mary Shelley,2012-06-20 D L Macdonald and Kathleen Scherf s edition of Frankenstein has been widely acclaimed as an outstanding edition of the novel for the general reader and the student as much as for the scholar The editors use as their copy text the original 1818 version and detail in an appendix all of Shelley s later revisions They also include a range of contemporary documents that shed light on the historical context from which this unique masterpiece emerged New to this edition is a discussion of Percy Shelley s role in contributing to the first draft of the novel Recent scholarship has provoked

considerable interest in the degree to which Percy Shelley contributed to Mary Shelley's original text and this edition's updated introduction discusses this scholarship. A new appendix also includes Lord Byron's 'A Fragment' and John William Polidori's 'The Vampyre' works that are engaging in their own right and that also add further insights into the literary context of *Frankenstein*.

**Frankenstein; Or, The Modern Prometheus by Mary Shelley** Mary Shelley, 2019-09-12 Everything about Mary Shelley's *Frankenstein* is remarkable. Sidney Perkowitz LA Review of Books *Frankenstein or The Modern Prometheus* is a novel written by English author Mary Shelley (1797-1851) that tells the story of Victor Frankenstein, a young scientist who creates a hideous sapient creature in an unorthodox scientific experiment. *Frankenstein* is infused with elements of the Gothic novel and the Romantic movement. Brian Aldiss has argued that it should be considered the first true science fiction story because, in contrast to previous stories with fantastical elements resembling those of later science fiction, the central character makes a deliberate decision and turns to modern experiments in the laboratory to achieve fantastic results. It has had a considerable influence in literature and popular culture and spawned a complete genre of horror stories, films, and plays. A True Classic that Belongs on Every Bookshelf.

*Frankenstein* Mary Shelley, 2022-05-25 In her groundbreaking novel *Frankenstein*, Mary Shelley weaves a rich tapestry of Gothic horror intertwined with profound philosophical inquiry. Through the tragic story of Victor Frankenstein and his monstrous creation, Shelley explores themes of ambition, the quest for knowledge, and the ethical implications of scientific endeavor. Written in the early 19th century amidst the backdrop of the Industrial Revolution and Romanticism, the book employs a structured narrative style blending epistolary elements with vivid descriptions that evoke both sympathy and terror. Shelley's literary craftsmanship challenges the boundaries of nature and humanity, making the work a precursor to both science fiction and existential literature. Mary Shelley is often heralded as the mother of science fiction; she crafted *Frankenstein* at a remarkably young age during a summer in 1816 spent in Switzerland with Lord Byron and Percy Bysshe Shelley. The intellectual exchanges and personal tragedies surrounding her life, including the death of her mother and her tumultuous relationship with Percy, deeply influenced her exploration of creation, loss, and the human condition. Her unique perspective as a woman writer in an era dominated by men adds an essential layer of critique regarding gender roles in both science and society. *Frankenstein* is a must-read for anyone interested in the philosophical dilemmas posed by scientific advancements and the responsibility that comes with creation. Shelley's work remains profoundly relevant, prompting readers to reflect on the consequences of humanity's relentless pursuit of knowledge and the moral questions it raises. Dive into this timeless exploration of creation and consequence and discover the unsettling yet thought-provoking narrative that continues to capture the imagination.

**Frankenstein, Or, The Modern Prometheus** Mary Wollstonecraft Shelley, Marilyn Butler, 1998 A young Swiss scientist's discovery of the cause of generation leads to the creation of a hideous monster.

**Frankenstein by Mary Shelley Illustrated** Mary Shelley, 2021-10-06 *Frankenstein or The Modern Prometheus* is an 1818 novel written by English author Mary Shelley.

Frankenstein tells the story of Victor Frankenstein a young scientist who creates a sapient creature in an unorthodox scientific experiment Shelley started writing the story when she was 18 and the first edition was published anonymously in London on 1 January 1818 when she was 20 Her name first appeared in the second edition which was published in Paris in 1821 Shelley travelled through Europe in 1815 along the river Rhine in Germany stopping in Gernsheim 17 kilometres 11 mi away from Frankenstein Castle where two centuries before an alchemist engaged in experiments She then journeyed to the region of Geneva Switzerland where much of the story takes place Galvanism and occult ideas were topics of conversation among her companions particularly her lover and future husband Percy B Shelley In 1816 Mary Percy and Lord Byron had a competition to see who could write the best horror story After thinking for days Shelley was inspired to write Frankenstein after imagining a scientist who created life and was horrified by what he had made Though Frankenstein is infused with elements of the Gothic novel and the Romantic movement Brian Aldiss has argued that it should be considered the first true science fiction story In contrast to previous stories with fantastical elements resembling those of later science fiction Aldiss states that the central character makes a deliberate decision and turns to modern experiments in the laboratory to achieve fantastic results The novel has had a considerable influence on literature and popular culture and spawned a complete genre of horror stories films and plays Since the publication of the novel the name Frankenstein has often been used to erroneously refer to the monster rather than his creator father

*Frankenstein by Mary Shelley* Mary Shelley, 2020-10-02 Frankenstein is an 1818 Gothic novel written by Mary Shelley from England It is the tale of eccentric scientist Victor Frankenstein and the monstrous creature he created The book is a novel about the destructive potential in human ingenuity and the desperate search for love and attachment

Frankenstein, or, The Modern Prometheus Mary Wollstonecraft Shelley, 1869 Frankenstein was published in 1818 the work of a 21 year old genius named Mary Shelley Hundreds of movies adaptations and monster masks later its reputation remains so lively that the title has become its own word in the English language Victor Frankenstein a scientist discovers the secret of reanimating the dead After he rejects his hideous creation not even the farthest poles of the earth will keep his bitter monster from seeking an inhuman revenge Inspired by a uniquely Romantic view of science s possibilities Shelley s masterpiece ultimately wrestles with the hidden shadows of the human mind

Frankenstein Mary Wollstonecraft Shelley, 2017-10-19 Frankenstein is a novel written by English author Mary Shelley 1797 1851 that tells the story of Victor Frankenstein a young scientist who creates a grotesque but sapient creature in an unorthodox scientific experiment Shelley started writing the story when she was only 18 Frankenstein is infused with elements of the Gothic novel and the Romantic movement At the same time it is an early example of science fiction It has had a considerable influence in literature and popular culture and spawned a complete genre of horror stories films and plays

### **What Is The Book Frankenstein By Mary Shelley About Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading What Is The Book Frankenstein By Mary Shelley About free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading What Is The Book Frankenstein By Mary Shelley About free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free

PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading What Is The Book Frankenstein By Mary Shelley About free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading What Is The Book Frankenstein By Mary Shelley About. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading What Is The Book Frankenstein By Mary Shelley About any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About What Is The Book Frankenstein By Mary Shelley About Books**
