What Really Is Christianity Second Edition:

What Really Is Christianity, Second Edition Austin de Bourg, 2014-12-19 Discover who God intends for you to be and how to fulfil your God appointed purpose This book is a wakeup call to slumbering Christians It addresses the urgent need for Christians to return to Jesus Christ and His Christianity and to passionately pursue a personal intimate relationship with Him the Father and the Holy Spirit It takes you deeper in Christ and propels you to put your Christian faith into action and advance the Kingdom of God Too much is at stake for you not to know what really is the Christianity that Jesus Christ has prepared especially for you In his unique simple style author Austin de Bourg leads Christians into the full understanding of their faith as he unveils Christianity from God s perspective This book takes the subject of Christianity to a dimension where modern literature on the topic rarely ventures It reveals truths from the Word of God on the supernatural birthright and heritage of Christians and Christianity and answers questions on the seldom taught doctrine of the reality and conflict of the dual nature of Christians What Really is Christianity points out the importance of Christians knowing and keeping their divine lineage and heritage alive not only for their benefit but for the benefit of those who would carry on the faith Like the early Christians who knew who they were this generation and the generations to come would be able to live and function as Christ ordained and as such successfully changed their world In this book author Austin de Bourg deals frankly with the misconceptions of Christianity which many earnestly practice today warning of the dangers of replacing relationship with God with religion which in fact keeps us from coming to God Not only does the author diagnose the present malady of Christians and Christianity but he prescribes the corrective treatment In so doing he identifies with precise clarity the Christianity that Christ established and left for us to follow Both Christians and non Christians alike will benefit from this insightful work pregnant with the author s personal intimate experience with the Trinity and his passion to see everyone experience the superior quality of life that he himself has come to know and experience through Christ s Christianity

How Christian Is Our Present Day Theology? Franz Overbeck, 2005-06-21 This book is a translation of Overbeck's famous text *Ueber die Christlichkeit unserer heutigen Theologie* 1873 second edition 1903 together with an introduction and notes The complete original work is translated including the Introduction and Epilogue which incorporates some of Overbeck's late reflections on his friendship with Nietzsche and on theology The unique feature of this book is that it is the first translation into English of any substantial publication by Overbeck This is also the only work of a programmatic nature that Overbeck ever published on the vexed issue of theology's relationship to Christianity It raises questions about Christianity in the modern world and the role of theology within religion that still need to be answered As David Tracy has written Overbeck's friend Nietzsche used a hammer against theology Overbeck himself used a scalpel And Overbeck is finally the deeper challenge for theology This translation will make Overbeck's classic work available to a wider public and thus contribute to a better appreciation of his profound and still unanswered questions for contemporary Christianity

The Spirit Said Go, Second Edition Mark Wilson, 2020-04-08 God's got a plan for your life is an aphorism frequently heard by Christians But how do you discover that plan The Spirit Said Go is designed to help believers find God's will Using Paul's journeys in Acts as examples Wilson discusses twenty lessons on guidance drawn from these journeys Using his firsthand experience traveling along these routes in the Eastern Mediterranean he reads between the lines offering additional insights into Luke's account He also provides important

geographical and archaeological information to illustrate Paul's world among the Jews, Greeks and Romans. Wilson then illustrates each lesson with autobiographical vignettes drawn from his own spiritual pilgrimage of over forty years as a follower of Jesus. Friends and colleagues also share stories of similar experiences of guidance. Each chapter ends with reflection questions that help the reader integrate the lesson into Christian living. The volume offers an inductive Bible study combined with practical spiritual insights regarding how God guides his people then and now.

Subversive Christianity, Second Edition Brian J. Walsh, 2014-09-01 Where is Western culture going? What should Christians think about it? Those who already ask these questions often come up with confused answers. Those who do not are arguably living in a fool's paradise or a fool's hell. In this second edition of *Subversive Christianity*, Brian Walsh returns to the themes of cultural discernment that he unpacked more than twenty years ago. In a new Postscript, Walsh revisits Francis Fukuyama, Bruce Cockburn and the prophet Jeremiah and asks, "Where are we now?" In light of 9/11 and the world economic crisis of 2008, how do we discern the times and what does that discernment tell us about the calling of the church?

Introduction to the History of Christianity, Second Edition Tim Dowley, 2013-11-01 Combining the accuracy and readability of the first edition of this highly acclaimed text, Dowley has enhanced the second edition with new contributions from PHEME PERKINS on The Thought World of Early Christianity and RICHARD BURRIDGE on Jesus and the Gospels, as well as updated and revised contributions from Ward Gasque, Richard Pierard, John H. Y. Briggs and more. With many new photographs, illustrations, maps, charts and timelines, the inviting new full color format tells the dramatic, intriguing and often surprising story of Christians in their 2000 year journey to the present day.

A Survey of the History of Global Christianity, Second Edition Mark Nickens, 2020-12-15 Since Jesus's resurrection, Christianity has expanded across the globe and shaped a vast array of groups and movements. *A Survey of the History of Global Christianity, Second Edition* provides an overview of the Christian faith from the apostolic age to the global present. In a friendly and informative tone, author Mark Nickens outlines the historical context of important developments in doctrine and practice, including:

- o the persecution and resilience of the early church
- o the results of increasing papal power in Europe during the Middle Ages
- o the Reformation and later movements that influenced European Christianity
- o the various sects of American Christianity that arose in cycles of revival
- o an examination of Orthodoxy and the history of Christianity in Asia, Africa, Latin America and the West Indies.

In addition to historical information, this book features quotes and spiritual lessons from noteworthy Christians throughout the centuries. By understanding how Christian doctrine has developed over the ages and across the globe, readers will better understand where their own faith tradition comes from.
