

A man in a grey long-sleeved shirt and large headphones is singing into a professional microphone. He is in the foreground, looking upwards. Behind him, another man with a beard, wearing a black beanie and a patterned sweater, is sitting at a desk with a laptop and a keyboard, appearing to be producing the music. The scene is set in a room with a textured wall and some string lights in the background. The entire image is framed within a large oval shape.

Flaws Of Perfection Nasir

Salaam,2018-08-03 Flaws of perfection came about from one's personal views on his or her life. When you give thought to the title, what can you deem perfect? The first thought that comes to my mind is Allah God. We all deal with our own personal flaws no matter your religion. This is an autobiography in a poetic form. I'm giving you different views and insight inside my train of thoughts. Also I'm showing you the progression as years went by who's better to scribe your story than you. The world will always have their views and opinions of you. Does it make it true? If you are able to still smile when confronted with pain and laugh when presented with joy that's a life even the wealthiest person couldn't afford. Adversity either exposes or reveals one's true self. So laugh with me, cry with me. I'm showing you what's inside of me. I'm not the only one that's been through some pain. But what I want you to gain by the end of this book at least smile for me.

My Hearts' Songs Shontwel

Wells,2014-04-21 *My Hearts Songs* is a compilation of my views on life written through poetry. Over the years I've had many different experiences and writing has always been my outlet, my release. Poetry gave me a sense of peace and serenity that I wasn't able to find elsewhere. For many years I pondered over sharing my poems with others but after doing so I realized that it was quite possible my words were profound enough to help those around me. To provide them with the understanding that everyone goes through something in life and sometimes if we are lucky we find someone who understands. Through poetry I found that I could make life beautiful. So within the pages of this book you will find poems about life and all it entails from my point of view.

His Hiding Place Is Darkness Francis X. Clooney S.J.,2013-12-04

His Hiding Place is Darkness explores the uncertainties of faith and love in a pluralistic age. In keeping with his conviction that studying multiple religious traditions intensifies rather than attenuates religious devotion, Francis Clooney's latest work of comparative theology seeks a way beyond today's religious and interreligious uncertainty by pairing a fresh reading of the absence of the beloved in the Biblical Song of Songs with a pioneering study of the same theme in the Holy Word of Mouth, 9th century CE, a classic of Hindu mystical poetry rarely studied in the West. Remarkably the pairing of these texts is grounded not in a general theory of religion but in an engagement with two unexpected sources: the theopoetics, theodramatics and theology of the 20th century.
