

# Module 7 English for you and me

## Unit 2 We all own English.

### 新课导入

#### Reading and vocabulary

Work in pairs. Talk about the photos on the right and on the next page. Say:

- where they are
- what languages you can see

### 课堂操练

#### Who owns English?

1. English is spoken by about 400 million people, mostly in the US, the UK, Canada, Australia, New Zealand and South Africa. In Ghana, India and Singapore, English is used as a working language, for example, between bosses and secretaries, and between doctors and patients, although there are other languages for everyday use. In China and many other countries, English is the most important foreign language that children learn at school, because when they grow up, it will be quite possible for them to meet people from other countries.

### 课堂操练

2. It is also important to know that English has borrowed many words from other languages, for example, "restaurant" from French, "zero" from Arabic, "piano" from Italian, and "tofu" from Chinese.
4. Will the importance of English last? As China continues to grow, many people think that Chinese will become as common as English by the middle of the twenty-first century. More and more schools in Europe are teaching Chinese as a foreign language, **together with** some European languages. However, most people still think that English will be used most around the world, at least for the next twenty or thirty years.

### 课堂操练

Read the passage and answer the questions.

1. How many people in the world use English?  
**About 400 million people in the world use English.**
2. How did English become an international language?  
**In the twentieth century, the US spread English to the world through newspapers, television and film.**
3. When do you think Chinese will become an international language?  
**By the middle of the twenty-first century.**
4. Who owns English?  
**Everyone who speaks it.**

### 课堂操练

They will need a common language to communicate with each other. English is now used by nearly a **quarter** of the world's **population**, and anywhere you go in the world, there is a good chance that you will meet someone who speaks English.

2. The reason why English is spoken everywhere is that in the nineteenth century, English became the language of world trade. And in the twentieth century, the US spread English to the world through newspapers, television and film. It is now the common language for international travel, science, industry, and recently, information technology and the Internet.

### 课堂操练

5. So who owns English? The answer is everyone who speaks it — the British, the Indians and the Chinese all help make it a rich language. Even though we speak different types of English, we are all part of an international club. We all own English.

# What You Own English Edition

**Douglas Angus**

## **What You Own English Edition:**

**Brodsky in English** Zakhar Ishov, 2023-08-15 A deeply researched account of Joseph Brodsky's evolution in English as a self translator and a poet in translation Joseph Brodsky's translations of his own Russian language poems into English new originals have been criticized for their un-Englishness an appraisal based on a narrow understanding of translation itself With this radical reassessment of the Nobel Prize winner's self translations Zakhar Ishov proposes a fresh approach to poetry translation and challenges the assumption that poetic form is untranslatable Brodsky in English draws on previously unexamined archival materials including drafts and correspondence with translators and publishers to trace the arc of Brodsky's experience with the English language Ishov shows how Brodsky's belief in the intellectual continuity between his former life in the Soviet Union and his new career in the United States including as Poet Laureate anchored his insistence on maintaining the formal architecture of his poems in translation locating the transmission of poetic meaning in the rhythms of language itself This book highlights Brodsky's place within the long history of the compromises translation must make between linguistic material and poetic process

**Bibliotheca Topographica Britannica** John Nichols, 1790

*The Book of Revelation* Scott Storbakken, 2021-08-04 The Book of Revelation What the Spirit Says to the Churches in America instructs lay readers to understand the last book of the Bible as its earliest audiences would have The book aims to stimulate and educate Christians who find Revelation to be unapproachable It assists readers to responsibly apply Revelation's messages to their own settings once they understand what the Spirit said to the seven congregations in ancient settings Only with the original audiences in mind can modern American readers begin to discern what the Spirit says to them through the words of John's Apocalypse Through an accessible description of Revelation's linguistic literary and historical contexts readers can learn to approach the book as the seven churches of Asia Minor would have Comparisons and contrasts between the Greco Roman culture of Revelation and the United States of the twenty first

century assist readers to answer Revelation's predominant question for themselves: Who do you worship? Many of John's own writing techniques are utilized to treat this book as a conversation so we can discover together what the Spirit says to the churches in America.

**Mere Irish & Fíor-Ghael** J. Th. Leerssen, 1986-01-01 The aim of this investigation is to reconsider the cultural confrontation between England and Ireland from a new methodological perspective and to trace how this confrontation resulted in a particular notion literary as well as political of Irish nationality.

The Sound Structure of English Chris McCully, 2009-02-26 A clear introduction to English phonetics and phonology tailored to suit the needs of individual one term course modules. Contains exercises, discussion questions, a comprehensive glossary of each term introduced and has a helpful companion website. An essential text for all those embarking on the study of English sounds at undergraduate level.

*Contemporary Indian English Poetry and Drama* Sajalkumar Bhattacharya, Himadri Lahiri, Arnab Kumar Sinha, 2019-07-29 This anthology of essays maps the divergent issues that have become relevant in contemporary Indian English poetry and drama. By providing a clear idea about the new themes, techniques and methods used by the Indian English poets and playwrights to address the issues emerging in the changing socio-cultural scenario particularly during the post-globalization period, the essays offer insightful observations on canon formation and its reception. It is high time to consider afresh whether the canons of Indian English poetry and drama have widened their scope to include innovative forms of writing or whether they have evolved significantly to generate novel perspectives. These questions, which are linked with the issue of canon formation and its reception, are intricately woven into the fabric of these essays. This anthology will respond to the scholarly interests of inquisitive students, researchers, scholars and academics in the field of Indian English literature.

*The Works of Beaumont & Fletcher ... from a New Collation of the Early Editions. With Notes and a Biographical Memoir by the Rev. Alexander Dyce* Francis Beaumont, 1846.

Cyclopædia of English Literature Robert Chambers, 1847.

**How To Speak English Fluently** Salim Khan Anmol, 2020-01-10 How To Speak English Fluently 5th Advanced Learner's This book has been written with one principle in mind: Simplicity and clarity. Countless grammar books have so far been written for exam preparation purposes. Almost all of these books have one thing in common: as much information as possible crammed into the pages of the book and the topics not being covered in the order of importance. This leads to serious confusion for the exam takers in their preparation process since they cannot know what parts to learn and feel overwhelmed due to the density of the material to be learned. Like I said above, this book has been written with one principle in mind: simplicity and clarity. You will see that you will have really high scores from English grammar exams thanks to this reader-friendly and easy-to-follow book. Familiarize yourself with the basic rules of grammar by reviewing the common rules per part of speech. To reinforce points per rule, this guide comes with examples of incorrect, correct, and better uses of each part of speech. With this guide, English grammar is no longer as intimidating as before. Grab a copy today. This is the ideal resource for everyone who wants to produce writing that is clear, concise, and grammatically excellent. Whether you're creating perfect

professional documents spectacular school papers or effective personal letters you ll find this handbook indispensable From word choice to punctuation to organization English teacher Susan Thurman guides you through getting your thoughts on paper with polish Using dozens of examples The Only Grammar Book You ll Ever Need provides guidelines for Understanding the parts of speech and elements of a sentence Avoiding the most common grammar and punctuation mistakes Using correct punctuating in every sentence Writing clearly and directly Approaching writing projects whether big or small Easy to follow and authoritative The Only Grammar Book You ll Ever Need provides all the necessary tools to make you successful with every type of written expression Main Salient Keywords Parts of the Sentence Interrogative Exclamatory Imperative Optative Declarative Conjunctions Verbs Pronouns Articles Demonstrative Relative Punctuation Noun Adjectives Interjections Auxiliary Verbs Word Order Reflexive Pronouns Prepositions Adverbs Determiners Tenses Possessive Parts of Speech Types of Sentences Simple sentence Compound Sentence Complex sentence Compound Complex Sentence English Speaking course Spoken English course Main Keywords English Grammar 8th 10th 12th CBSE ICSE NCERT UP BIHAR HIMACHAL MP Mumbai BOARDS Advanced English Grammar Books English Speaking Grammar Reference English Speaking New Released English Books Spoken Foreign language Study courses TOEFL IELTS ESL Abroad Free of Charge Books English Grammar Series New English Volumes Advanced English Learning Speaking Advanced Learner s Books Basic Modern English Free online eBooks Free download Books 8L8m8 Pdf New Grammar Series English speaking Books English Competition Books Competitive Exams English Competition Grammar Books English Studying Books English Grammar Books English Literature American Literature British English Literature Books BA MA B Ed M Ed Literature Books Poetry Anthologies multiple authors Study English Proficiency incl ESL EFL TOEFL TOEIC IELTS Books Cambridge First Certificate Cambridge Advanced TOEFL IELTS Oxford advanced learner Language Collins Advanced English Grammar Books Merriam Webster Dictionary Arts Disciplines Grammar Punctuation Young Adult Nonfiction Foreign Language Study English as a Second Language Language Arts Disciplines Public Speaking Speech Writing Education Reference Reference Yearbooks Annuals Language Arts Disciplines Writing Poetry Foreign Language Study Multi Language Phrasebooks Fiction Anthologies multiple authors Poetry European English Irish Scottish Welsh Language Arts Disciplines Speech Pronunciation Sakha Global Books Inc India Tags Sakha Books Salim Khan Mohammad Salim English Books by Saleem Khan Salim Khan Salim Anmol English Reference Book guide Grammar books by Salim Mohammad Salim Anmol salimkhananmol salimkhananmol Author Salim Khan Anmol

**Memoirs of the Life of Sir Walter Scott, Bart. ... A New Edition, Etc** John Gibson Lockhart, 1842      **The Muse of History** Oswyn Murray, 2024 Oswyn Murray charts the shifting uses of the ancient past showing how three centuries of scholars interpreted ancient Greece in the light of contemporary political interests Rich in stories and portraits of influential thinkers The Muse of History is a powerful reminder that the meaning of the past is always made in and for the present

*Asian English Language Classrooms* Handoyo Puji Widodo, Alistair Wood, Deepti Gupta, 2017-06-14 The teaching of

English in the Asian context is always challenging and dynamic because both teachers and learners have diverse linguistic and cultural backgrounds. Equally important where English is not widely used outside the classroom, English language classrooms are an authentic site of learner engagement. For these reasons, for all those concerned with contemporary English language teaching, *ELT in Asia: Asian English Language Classrooms Where Theory and Practice Meet* provides an account of theoretical orientations and practices in the teaching of English to multilingual speakers whose primary language is not English. While covering the fundamental ELT areas, e.g. the teaching of language skills, educational literature, the use of technology in ELT, the role of pragmatics in ELT, social psychology of the language classroom, and language classroom management, with which every language teacher and teacher trainer must be concerned, this volume showcases how particular orientations shape ELT practices. We believe that practicing English teachers must have a heightened awareness of the theory behind their practice. At the same time, the theoretical stance must be firmly anchored in actual classrooms. Containing newly commissioned chapters written by well-regarded and emerging scholars, this book will appeal not only to beginning teachers or teachers in training but also to established teachers around Asia where English is used as a lingua franca. If you are a student teacher of English or an English teacher who would like to see what other progressive teachers like you are doing across Asia, this is the book you have been looking for.

**Leading English in the Primary School** Lisa Baldwin, 2018-10-12 *Leading English in the Primary School* is a comprehensive guide for both aspiring and experienced leaders of primary English. It supports you in navigating your way through the role and offers practical guidance to help you develop a clear understanding of how to improve the teaching of English in your school. Written by experts with extensive experience of both leadership and the primary classroom, it explores skills required for effective subject leadership while continually considering the specific implications for English. With action and reflection points throughout the book, it offers a detailed introduction to the role of the English subject leader, implementing strategy and vision, adapting to new educational policy, methods for leading teaching and learning, how and why leaders evaluate and monitor progress, contemporary changes to the curriculum. Rich case studies reveal how schools lead English in practice and provide real-life examples of English subject leaders' decision-making processes and actions. Grounding the subject leader role in the current curriculum, *Leading English in the Primary School* is a source of advice, support, and inspiration for all professionals embracing the complex, challenging yet fulfilling role of Primary English Leader.

*Negotiating Englishes and English-speaking Identities* Jacqueline Aiello, 2017-07-06 This book explores the effects of the global spread of English by reporting on a sequential explanatory mixed methods study of the language attitudes, motivation, and self-perceived English proficiency of youth in two Italian cities. Participant narratives highlight the far-reaching role that English plays on the performance and attainment of present and desired future selves. Illustrations reveal that English is understood not as singular but as plural and paradoxical and reveal that English learners who do not all accept the capital of native speakers utilize tactics to negotiate their positions with respect

to their target language On the one hand by narrowing in on a specific population and drawing extensively on interview exchanges this work provides readers with a nuanced depiction of the identities milieu and learning experiences of English language learners in Italy On the other hand this level of detailed analysis gives insight into the understandings construction of meaning and negotiations of language learners who need and want to acquire English the global language worldwide Indeed the issues and questions that are raised in this book such as those concerning research approaches and the definitions assigned to key concepts have profound implications on the research of English es today and can inform future directions in global English teaching
