Danny Pelfrey,2020-06-06 In 2017 the Barna group released results of a poll from churchgoers in which the question was Have you heard of the great commission Fifty one percent answered no Six percent admitted I m not sure Twenty five percent responded Yes but I can t recall the exact meaning Only 17% of churchgoers questioned answered yes and were able to give a reasonable explanation of its meaning Those results speak volumes about the current status of the church and individual disciples in regard to our Biblical mission The time has come for a book that will issue a strong call for a return to Biblical evangelism Phoenix attorney Joe La Rue described **WHATEVER HAPPENED TO EVANGELISM** as a timely thought provoking study of what evangelism is why it matters who should do it and how to accomplish it After reading the manuscript Ben Merold the man God used to build two mega churches said The book is great best thing I have read in years Jerry Vines former President of the Southern Baptist Convention wrote Brother Pelfrey has given us a passionate and persuasive volume on why and how to do evangelism Maybe the right book at the right time **Whatever Happened to The Gospel of**

Grace? James Montgomery Boice,2009-04-01 Combines a serious examination of the state of today s church and a powerful solution reclaiming the gospel of grace found in the confessional truths of the Reformation Though the Christian church has achieved a worldly sort of success big numbers big budgets big outreaches these are not good days for evangelicalism Attendance is down and it is increasingly difficult to distinguish so called believers from their non Christian neighbors all because the gospel of grace has been neglected In this work now in paperback the late James Montgomery Boice identifies what s happened within evangelicalism and suggests how the confessional statements of the Reformation Scripture alone Christ alone grace alone faith alone and glory to God alone can ignite full scale revival A church without these convictions

has ceased to be a true church whatever else it may be he wrote but if we hold to these doctrines our churches and those we influence will grow strong *Call to Mission and Perceptions of Proselytism* John Baxter-Brown, 2022-04-13 Proselytism remains one of the most divisive issues in global Christianity jeopardizing many ecumenical initiatives and projects Almost all traditions accuse others of proselytism but none readily confess to it as one tradition's mission and evangelism is another's proselytism This work brings together for the first time significant formal statements from Christian bodies and churches alongside articles from leading commentators in this hotly contested issue It gives clergy academics and students a vital resource in understanding the perspectives of different traditions and therefore the opportunity to study and understand viewpoints and opinions from competing perspectives The volume originates in a process of work commissioned by the World Pentecostal Fellowship the World Council of Churches the World Evangelical Alliance and the Roman Catholic Church under the auspices of the Global Christian Forum We discovered that there are no easy answers that resolve the tensions and debates about proselytism but through listening and understanding different voices new opportunities for establishing constructive relationships can and do emerge

Whatever Happened to the Gospel? David Nicholas, 2010-06 Too many Christian leaders act as though the Gospel is not a topic worthy of discussion They speak on the wonders of knowing Christ but never explain why a person needs Christ who Christ is and what Christ accomplished to make it possible for us to be given the gift of life with God In *Whatever Happened to the Gospel* author Dr David Nicholas addresses why the absence of Gospel teaching in a huge majority of modern evangelical churches is a problem and how to solve it Citing the results of a LifeWay Research survey Dr David Nicholas shows how the Bad News and the Good News of the Gospel is often left out of sermons and yet pastors still invite people to receive Jesus into their hearts *Whatever Happened to the Gospel* uses Scriptural passages to explain the Bad and Good News in a way that cuts through the confusion that exists in the minds of many The church at large is in sad shape today because many who call themselves Christians have no idea what they believe This confusion can be resolved through sharing the Gospel and making the Gospel part of every message Evangelism and true discipleship begin with a clear complete logical and sequential presentation of the Bad News and Good News By following the lessons and examples presented in *Whatever Happened to the Gospel* believers are strengthened and empowered knowing they are part of the Lord's great eternal plan

The Theology of the Christian Life in J.I. Packer's Thought Don J. Payne, 2006-06-01 This study offers a critical analysis of J I Packer's theology of the Christian life Packer has achieved international acclaim and wielded widespread influence within evangelicalism for more than three decades particularly through his writings on the doctrine of sanctification His approach to sanctification is examined in light of the theological anthropology and theological method that constitute its unique structure and assumptions J I Packer has been one of the most recognized evangelical theologians of the late twentieth century Among his theological passions is anchoring the Christian life in the legacy of Reformed theology particularly that expressed by seventeenth century English Puritanism

Yet his treatment of the doctrine of sanctification is shaped by two other influences theological anthropology and theological method This hermeneutical exploration of Packer s treatment of sanctification offers fresh insight into his thought and demonstrates the often unnoticed impact of theological anthropology and theological method within evangelical theology

Mission and Evangelism in a Secularizing World Narry F. Santos, Mark Naylor, 2019-02-14 Secularization as a movement away from a religious orientation to life is strong in Canada and has influence worldwide In this volume missiologists and practitioners across Canada consider how an agenda of Christian mission and evangelism can be advanced in a secularizing environment How can believers be curious and engaged rather than defensive and fearful What changes are required from the evangelical community so that there is productive dialogue and action in ways that maintain faithfulness to the cause of Christ What should the approach of mission be to a new generation steeped in secular narratives How do we answer negative caricatures of Christian mission in light of the history of Residential Schools What examples from the past teach us about developing an irenic approach What positive trends are currently evident in Canada and around the world that counter the secularizing narrative These questions and more are considered in this volume by Canadian scholars who recognize the importance of being relevant to society while maintaining integrity with the Gospel message The essays address secularism in Canadian and worldwide contexts with seriousness insight and an underlying theme of hope recognizing that God s mission has been accomplished is being accomplished and will be accomplished
