A Chronicle of Echoes Mercedes K. Schneider, 2014-04-01 Corporate reform is not reform at all Instead it is the systematic destruction of the foundational American institution of public education The primary motivation behind this destruction is greed Public education in America is worth almost a trillion dollars a year Whereas American public education is a democratic institution its destruction is being choreographed by a few wealthy well positioned individuals and organizations This book investigates and exposes the handful of people and institutions that are often working together to become the driving force behind destroying the community public school

Conservative Hurricane Matthew T. Corrigan, 2014-10-28 Against the backdrop of the Tea Party dominated GOP former Florida governor Jeb Bush may appear comparatively moderate but his record tells a different story In *Conservative Hurricane* Matthew Corrigan probes beyond the mild veneer the sound bites and the photo ops to examine the real evidence of Bush's political leanings his policies politics and legacy as the state's most powerful governor After remaking himself from a strident ideologue into a restrained conservative policy wonk Bush became Florida's first two term Republican governor The small government conservative who in his second inaugural address dreamed of an idyllic Tallahassee free of government employees was unstoppable He presided over the largest accumulation of executive branch authority in the state's history and advanced a multitude of social and economic reforms the effects of which are still felt in the Sunshine State today It was the beginning of a new kind of conservative activism one that has only gained strength in the years since Bush left office From the culture wars to the management of state government Corrigan examines the governor's indelible mark on Florida He demonstrates how the issues most closely associated with Bush's leadership including education reform end of life decisions and gun rights would guide Republican governors in other states as they rode the rising tide of conservative populism For anyone curious about a potential Jeb Bush presidency this book is required reading

Global Perspectives on Health Assessments for an Aging Population Ribeiro, Luis Vieira, Ribeiro, Anabela Magalhães, 2023-04-03 Today's society recognizes that the last decades of an individual's life are usually those in which health tends to deteriorate and chronic pathologies increase Action at this level is verified through the increased concern of government officials with the elderly population motivated by the socio economic
