When God Made Rest:

When God Made Rest George E. Vandeman, 1987-01-01 **Resting in His Redemption** James Gills, 2011 The Scriptures teach clearly that God desires to live in intimate fellowship and communion with mankind He wants us to enjoy His love peace joy and companionship and to rest in His redemption experiencing the perfect harmony and contentment and fulfillment of purpose for which He created us God's original purpose for creating mankind was simply for us to enjoy relationship with Him the kind of fellowship that the first couple Adam and Eve enjoyed in the Garden of Eden when God walked with them in the cool of the evening Gen 3:8 Then sin entered the human experience and separated all mankind from that divine fellowship But when we place our faith in Christ's sacrifice for our sin we are redeemed by the blood of Christ and justified in the sight of God But that is not the end of the matter it is only the beginning God's intention is that we be completely restored spirit soul and body to the divine rest found in His redemption He wants us to experience that mystery of intimate communion with our Creator Redeemer In this book we will discuss four important aspects of fulfilling the deepest desire of the human heart to know God personally and intimately in the way God's great loving heart intended To know the love of God that brings true heart contentment we need to walk in the understanding of these divine principles The biblical basis for all prayer is resting in His redemption The biblical basis for all Christian living is resting in His redemption The biblical basis for total forgiveness is resting in His redemption The biblical basis for divine contentment is resting in His redemption Your life can be transformed when you allow Him to make them a reality to your heart The love of God can fill your heart and make you a victorious lover of the Christ You will be ruined for any lesser temporal pleasure or love once you taste more deeply the wonders of resting in His redemption J. Babbitt, 2005-05-01 In *The Presence of God* a spiritual guide author J Steven Babbitt explores the Wilderness Tabernacle and God's intended purpose for his people to be living temples

Power in Rest Ryo Leong, 2012-03 Rest is a much sought after commodity especially for those living in modern urban cities The concept of rest was introduced immediately after the genesis of creation when God rested on the seventh day God's rest promises more than mere physical rejuvenation Jesus urged all to come to Him and He will give us rest for our souls Yet many including Christians fail to find rest in God In this book you will discover What is God's idea of rest What are the benefits of God's rest How to enter into God's rest How to be fruitful in life through resting in God There is much more to be achieved from the position of rest than we can ever imagine **The Art of Rest** Adam Mabry, 2018-05-08 Discover the secret to real realistic non rules based rest For some of us resting seems like a waste of time it means we're missing out on other things For others rest seems like a luxury there's simply too much to do And for almost all of us we crave rest but don't always know how to This warm realistic humorous book shows us the huge spiritual emotional and physical rewards of rest It shows us how rest gives us time to spend with God and remember his grace Discover how rest fuels our joy and confidence in God's sovereignty as we learn to depend on him and not our own efforts and are refreshed by the power of the Holy Spirit

Adam Mabry shows us how rest helps us make space for relationships shared experiences and moments to remember how it liberates us from the pressure of self reliance how it gives us a chance to think and reflect and how it stops us from burning out Finally this book casts a realistic vision for rest that is less rule and more rhythm less onerous restriction and more liberating art form Adam Mabry helps us to learn the art of rest with some practical suggestions The world never stops But we need to And as Christians we can by having faith to hit pause and experience the rich rewards of God given rest **The Sabbath as Rest and Hope for the People of God** Guy Prentiss Waters,2022-09-27 A Short Study of the Sabbath from Creation to Consummation When it comes to the Sabbath Christians have different ideas on what it means and how to observe it For many people it is a day to go to church and have fellowship with other believers What they often miss though is that the Sabbath is intricately tied to rest and worship both of which ultimately point to the Lord as our creator and redeemer In this addition to the Short Studies in Biblical Theology series Guy Prentiss Waters offers an introductory study of the Sabbath from the creation of the world to the consummation of all things when Jesus returns He shows how the Sabbath is observed through the major themes and genres of the Bible creation law prophets Jesus and the apostles and how that applies to our lives today Waters teaches us about the Sabbath s full restoration in the new heavens and the new earth and its continual reminder of the covenant that God has made with his people Written for New Believers and Seasoned Saints Alike Perfect for laypersons pastors college and seminary students and academics Practical Examines how the Sabbath is relevant to the church now as well as how it will be restored in the new heavens and the new earth Short Studies in Biblical Theology Part of a series designed to give readers accessible volumes on God s word **A Library of Fathers of the Holy Catholic Church, Anterior to the Division of the East and West: Homilies on the gospel according to St. John, and his First epistle, by S. Augustine** ,1848 *The Creed in the Catechism* Eamon Duffy,2005-05-30 Eamon Duffy explores the first and longest section of the Catechism of the Catholic Church its teaching on the basic framework of Catholic belief as found in the Apostle s Creed Drawing on material from a whole range of Christian tradition from the scriptures and early fathers to the work of modern theologians like Hans Urs von Balthasar and Juan Luis Segundo he traces the distinctive ideas at work in the Catechism and assesses its faithfulness to the teachings of the council His book provides catechists priests teachers and the general reader with a non technical and fascinating guide to the Catechism in the light of theological developments and debate in the Church since the Council Illustrated with material from contemporary literature as well as theology and liturgy it also provides an introduction in its own right to some of the most fundamental and urgent themes of Christian belief

Waiting for the Rest That Still Remains Dr. Arie C. Leder, 2020-12-16 *Waiting for the Rest That Still Remains* A Biblical Theology of the Former Prophets focuses on Israel s squandering of God s gift of rest from the enemy all around by worshiping at the altars of other gods and its ultimate consequences a second exile this time from the land of the Lord Where land is the Pentateuch s promised future the Former Prophets proffer a future tied to the Lord s dynastic covenant with David and Solomon s dedicatory prayer Pleas that God hear in heaven the prayers his people direct toward the temple in Jerusalem express hope for the good life in the land but the culmination of Solomon s prayer pleads that upon repentance their captors be compassionate to them in the land of their captivity there is no plea for return to the land from exile Outside of God s promise to David Joshua Kings do not identify an earthly place like Noah s ark or the land filled with God s presence to which they might return Israel awaits the fulfillment of God s promise to David

Early Christian Readings of Genesis One Craig D. Allert, 2018-07-24 Do the writings of the church fathers support a literalist interpretation of Genesis 1 Young earth creationists have maintained that they do But are we correctly representing the Fathers and their concerns This study from Craig Allert resets our understanding of early Christian interpretation and considers whether contemporary evangelicals may be more bound to modernity in our reading of Genesis 1 than we realize

Scientist! [not a religious fanatic] Derek Mailhiot, The opening verse in the Bible says In the beginning God created the
heavens and the earth This is cosmology the science of the origin and development of the universe In creating the universe
God was the Original Scientist Note the verse doesn't say when God created the universe or how God created the universe
This is significant The verse doesn't say God created the universe 6 000 years ago as millions of Young Earth Creationists
assert Could the beginning actually be 13.8 billion years ago like scientists claim And why do so many Christians reject the
Big Bang theory God had to create the universe somehow Why couldn't that somehow be the Big Bang The Big Bang was
such an awesome and enigmatic event perhaps it was an omnipotent God who triggered the Big Bang According to Old Earth
Creationists the scientific evidence for the great age of the earth 4.54 billion years and the universe 13.8 billion years is
undeniable But many Old Earth Creationists reject evolution opting instead for a theory of progressive creation where God
created new species during creation events like the Cambrian Explosion 540 million years ago Evolutionary Creationists on
the other hand also believe the Earth is millions or billions of years old and also advocate that evolution best explains how
God brought about the diversity of life on Earth There are many notable Christians who believe that an evolutionary process
is in fact how God created life For example BioLogos affirms Evolutionary Creation and asserts God as Creator of all life over
billions of years BioLogos was founded by one of the top biologists in the world Francis Collins who led the Human Genome
Project 1993-2008 and afterward led the National Institutes of Health But severe defects in Darwinian evolution such as the
absence of bona fide transitional fossils and the mystery of biological information contained in DNA decisively points to
Intelligent Design rather than a random unguided natural processes in evolution Many Christians reject science even when
the scientific evidence is irrefutable simply because the science conflicts with their theology But do they realize that the
originator of the Big Bang theory was a Catholic priest Or that the pioneer of modern genetics was an Augustinian monk Or
that the decoder of the human genome converted from atheism to Christianity when he was in his 20s Not only that but there
are also many notable Christians who believe that God possibly created life by an evolutionary process Or that the earth is
many millions of years old I don't think that there's any conflict at all between science today and the Scriptures I think that

we have misinterpreted the Scriptures many times and we've tried to make the Scriptures say things they weren't meant to say I think that we have made a mistake by thinking the Bible is a scientific book The Bible is not a book of science The Bible is a book of Redemption and of course I accept the Creation story I believe that God did create the universe I believe that God created man and whether it came by an evolutionary process and at a certain point He took this person or being and made him a living soul or not does not change the fact that God did create man Billy Graham I believe that Christianity can still be believed even if Evolution is true C S Lewis We do not know how remote the period of the creation of this globe may be certainly many millions of years before the time of Adam Our planet has passed through various stages of existence and different kinds of creatures have lived on its surface all of which have been fashioned by God Charles Spurgeon Evidently the conflict between religion and science is not as deep as some may think
