### **When John Frum Came:**

*When John Frum Came* Bill Schroeder, 2014-10-20 Pacific Islanders were plantation slaves to the Brits before WWII Mythic John Frum urged natives to go back to custom earning a price on his head A Boston missionary and a cargo cult shaman awaiting ships full of food and tools meet on Christ s Despair Island and experience the culture clash with ironic humor and action adventures involving the Japanese US Navy and cannibal headhunters *Social Change in Melanesia* Paul Sillitoe, 2000-04-13 This book first published in 2000 is a companion volume to *An Introduction to the Anthropology of Melanesia* 1998 It gives a clear and absorbing account of social change in Melanesia since the arrival of Europeans covering the history of the colonial period and the new postcolonial states Paul Sillitoe deals with economic and technological change labour migration and urbanisation and formation of the modern state but he also describes the sometimes violent reactions to these dramatic transformations in the form of cargo cults secession movements and insurrections against multinational companies He discusses development projects but brings out associated policy dilemmas reviews developments that threaten the environment and implications for local identity such as romanticises primitive culture This fascinating account of social change in the pacific is addressed to students with little or no background in the region s history and development

**Religion and Everyday Life and Culture** Vincent F. Biondo, Richard D. Hecht, 2010-03-25 This intriguing three volume set explores the ways in which religion is bound to the practice of daily life and how daily life is bound to religion In *Religion and Everyday Life and Culture* 36 international scholars describe the impact of religious practices around the world using rich examples drawn from personal observation Instead of repeating generalizations about what religion should mean these volumes examine how religions actually influence our public and private lives on the ground on a day to day basis Volume one introduces regional histories of the world s religions and discusses major ritual practices such as the Catholic Mass and the Islamic pilgrimage to Mecca Volume two examines themes that will help readers understand how religions interact with the practices of public life describing the ways religions influence government education criminal justice economy technology and the environment Volume three takes up themes that are central to how religions are realized in the practices of individuals In these essays readers meet a shaman healer in South Africa laugh with Buddhist monks sing with Bob Dylan cheer for Australian rugby and explore Chicana and Iranian art *The Collected Poems of Thomas Merton* Thomas Merton, 1977 With the publication of this book an ever wider audience may more fully appreciate the range of the poet s technique the scope of his concerns and the humaneness of his vision Back cover **The Last Heathen** Charles Montgomery, 2009-09-01 In 1892 the Bishop of Tasmania set sail for Melanesia with the intent of rescuing islanders from lives of fear black magic and cannibalism Over 100 years later his great grandson Charles Montgomery followed the bishop s route through the South Pacific seeking out the spirits and myths his missionary forebear had sought to destroy Montgomery explored remote shores where gospel and empire never took hold He rubbed shoulders with barefoot preachers witch

doctors and gun toting rebels only to discover that the pagan spirits were more tenacious than the missionaries had imagined Melanesians had stirred Jesus and Mary into an already spicy broth of ancestor worship ghosts shark gods and magic Through confrontations with a bizarre cast of characters the randy ethnographer the soft talking assassin the leper prophet the journey becomes a debate on the nature of magic myth and faith and a metaphor for the transforming power of story The Last Heathen marks the debut of an exciting young writer who charts his adventures with passion insight and grace

*Melanesia* Hamish McDonald, 2025 Stretching from Fiji in the east to New Guinea in the west Melanesia is astonishingly diverse Its islands are home to some 1 200 language groups many of them still isolated from the outside world This complex region tends to make the news only in times of crisis military coups in Fiji Kanak unrest in New Caledonia rioting in the Solomon Islands Melanesia offers readers a deeper insight into the people and places behind these headlines combining travelogue history and astute political analysis By land and sea Hamish McDonald travels from one end of Melanesia to the other uncovering the histories values aspirations and tensions that have shaped the region He examines the impact of outsiders on local communities the Indians recruited to work in Fiji the white blackbirders who kidnapped Melanesians to labor in Australian cane fields the Americans during the Second World War the Indonesians in New Guinea And he considers the big changes unfolding today as shifting demographics and the growing influence of China produce a new balance of power across the region Vividly written Melanesia is essential reading for anyone looking to understand this fascinating part of the world and its growing international significance *The Geography of Lograire* Thomas Merton, 1969 Thomas Merton's

final testament as a poet is his most ambitious long work and a remarkable poetic achievement **The Tree and the Canoe** Joël Bonnemaison, 1994-01-01 This personal observation of Tanna an island in the southern part of the Vanuatu archipelago presents an extraordinary case study of cultural resistance Based on interviews myths and stories collected in the field and archival research The Tree and the Canoe analyzes the resilience of the people of Tanna who when faced with an intense form of cultural contact that threatened to engulf them liberated themselves by re creating and sometimes reinventing their own *kastom* Following a lengthy history of Tanna from European contact the author discusses in detail original creation myths and how Tanna people revived them in response to changes brought by missionaries and foreign governments The final chapters of the book deal with the violent opposition of part of the island population to the newly established National Unity government **Cargo, Cult, and Culture Critique** Holger Jebens, 2004-01-01 This collection of original essays is based on fieldwork in Melanesia Fiji Australia and Indonesia by scholars who are influential in the contemporary debate on cargo cults Lonely Planet South Pacific Lonely Planet, Charles Rawlings-Way, Brett Atkinson, Jean-Bernard Carillet, Paul Harding, Craig McLachlan, Tamara Sheward, 2016-11-01 1 best selling guide to the South Pacific Lonely Planet South Pacific is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Laze on New Caledonia's white sand beaches learn traditional dance in Tahiti or hike through

Unexpected Circumnavigation Christi Grab, 2010-02-27 No one expected these thirty something professionals to give up their successful careers to pilot their own small boat around the world especially because they started with almost no boating experience Instead of the expected sailboat they chose a 43 foot trawler powerboat which many believed was incapable of crossing oceans Most people expected them to fail But they surprised the skeptics when they successfully circumnavigated the globe in two years visiting 110 places along the way in thirty four countries Part 1 of The Unexpected Circumnavigation follows Christi and Eric daily as they travel to eighteen exotic South Pacific islands that few people ever see You will experience the local food and cultures participate in island tours and adventure activities include going to the rim of an active volcano and feel what it is like to be on long sea passages Learn about the challenges rewards and the surprises that come with both traveling and boating

**Cargo Cult** Lamont Lindstrom, 2019-03-31 Who is not captivated by tales of Islanders earnestly scanning their watery horizons for great fleets of cargo ships bringing rice radios and refrigerators ships that will never arrive Of all the stories spun about the island peoples of Melanesia tales of cargo cult are among the most fascinating The term cargo cult Lamont Lindstrom contends is one of anthropology's most

successful conceptual offspring Like culture worldview and ethnicity its usage has steadily proliferated migrating into popular culture where today it is used to describe an astonishing roll call of people Its history makes for lively and compelling reading The cargo cult story Lindstrom shows is more significant than it at first appears for it recapitulates in summary form three generations of anthropological theory and Pacific studies Although anthropologists enthusiasm for the notion of cargo cult has waned it now colors outsiders understanding of Melanesian culture and even Melanesians perceptions of themselves The repercussions for contemporary Islanders are significant leaders of more than one political movement have felt the need to deny that they are any kind of cargo cultist Of particular interest to this history is Lindstrom s argument that accounts of cargo cult are at heart tragedies of thwarted desire melancholy anticipation and crazy unrequited love He makes a convincing case that these stories expose powerful Western scenarios of desire itself giving cargo cult its combined titillation of the fascinating exotic and the comfortably familiar

**100 Years of Archaeology at the University of Michigan** Brian A. Stewart, Robin A. Beck, Tiffany C. Fryer, Michael L. Galaty, Raven Garvey, Tiffany Fryer, Hannah Hoover, John O'Shea, Alicia Ventresca-Miller, 2025-03-26 The University of Michigan has been at the forefront of archaeological research for more than 100 years since 1922 when the Museum of Anthropology now the Museum of Anthropological Archaeology was established on the Ann Arbor campus The goal of its curators for many decades was to create a research and teaching program that emphasized methodological rigor in the analysis of archaeological materials attempting to solve grand questions about human behavior through fieldwork collections and laboratory work About fifty years ago the Museum s emphasis shifted to developing archaeological theory when a new generation of curators with processualist leanings made Ann Arbor a testing ground for the so called New Archaeology Now archaeology stands at a crossroads Some archaeologists refer to the death of archaeological theory Others stake out opposed camps of generalists and particularists At U M as at many other universities the past decade has seen a new commitment to collaborative archaeology working with descendant communities and acknowledging the discipline s roots in colonialism and extraction In 2022 to celebrate a century of existence the University of Michigan Museum of Anthropological Archaeology UMMAA hosted an international conference to explore possibilities for a middle way an archaeology for the next 100 years combining humanistic and scientific approaches which allows for both agents and systems description and explanation science and heritage This volume is meant to be a snapshot of that conference and this moment in the development of the discipline Included are most of the papers and posters presented as well as photographs of the panels and the proceedings

**Melanesian Politics** Howard Van Trease, 1995 Vanuatu s politics reflect cultural diversity colonial history and personal differences Chapters cover history the 1991 election politicians electoral constituencies and political issues **Tanna Times** Lamont Lindstrom, 2020-10-31 Anthropologists like to tell other people s stories but local experts tell them even better This book introduces the vibrant living culture and fascinating history of Tanna an island in Vanuatu Melanesia through the

stories of a dozen interconnected Tanna Islanders Tracing the past 250 years of island experiences that cross the globe each of these distinctly extraordinary lives tells larger human narratives of cultural continuity and change In following Tanna s times we find that all of us even those living on seemingly out of the way Pacific Islands are firmly linked into the world s networks Each chapter opens with a telling life story then contextualizes that biography with pertinent ethnographic explanation and archival research Since 1774 Tanna Islanders have participated in events that have captured global anthropological and popular attention These include receiving British explorer James Cook a nineteenth century voyage to London troubled relations with early Christian missionaries overseas emigration for plantation labor the innovation of the John Frum Movement a so called Melanesian cargo cult service in American military labor corps during the Pacific War agitation in the 1970s for an independent Vanuatu urban migration to seek work in Port Vila Vanuatu s capital the international kava business juggling arranged versus love marriages and modern dealings with social media and swelling numbers of tourists Yet partly as a consequence of their experience abroad Islanders fiercely protect their cultural identity and continue to maintain resilient bonds with their Tanna homes Drawing on forty years of fieldwork in Vanuatu author Lamont Lindstrom offers rich insights into the culture of Tanna His close relationship with the island s people is reflected in his choice to feature their voices he celebrates and recounts their stories here in accessible engaging prose An ethnographic case study written for students of anthropology the author has included a concise list of key sources and essential further readings suggestions at the end of each chapter Tanna Times complements classroom and scholarly interests in kinship and marriage economics politics religion history linguistics gender and personhood and social transformation in Melanesia and beyond

**The Instability of Truth** Rebecca Lemov,2025-03-25 An acclaimed historian of science uncovers the hidden history of brainwashing and its troubling implications for today Because brainwashing affects both the world and our observation of the world we often don t recognize it while it s happening unless we know where to look As Rebecca Lemov writes in *The Instability of Truth* Brainwashing erases itself What we call brainwashing is more common than we think it is not so much what happens to other people as what can happen to anyone *The Instability of Truth* exposes the myriad ways our minds can be controlled against our will from the brainwashing techniques used against American POWs in North Korea to the soft brainwashing of social media doomscrolling and behavior shaping In our increasingly data driven world anyone can fall victim to mind control Lemov identifies invasive forms of emotional engineering that exploit trauma and addiction to coerce and persuade in everyday life Tracing the word brainwashing from deep in the files of an operative of the U S Office of Strategic Services in the 1950s to the pioneering research of Robert Jay Lifton to the public trials of cult leaders and the case of Patty Hearst Lemov also studies how the idea of mind control has spread across the globe and penetrated courtrooms secret labs military schools and today s digital sites *The Instability of Truth* offers lessons from mind control episodes past and present Truth is always subject to question in

more mundane walks of life than most people believe and Lemov equips us for the increasing challenges we face from social media AI and an unprecedented global form of surveillance capitalism The Instability of Truth develops a rigorous new understanding of both brainwashing s paradoxes and its emotional roots by giving voice to brainwashers the brainwashed and third party observers alike
