When Water Is Thicker Than Blood:

Water Is Thicker than Blood Jana Marguerite Bennett, 2008-03-04 This book considers how homes households and domestic life are related to the Church Early theologies glorified the monastic lifestyle as a way to transcend earthly attachments in favor of supernatural goods Contemporary thinkers have seen that functioning marriages and families themselves can lead us toward a more righteous society Jana Bennett insists that both marriage and singleness must be placed in the context of the Christian story of redemption for the questions and problems at stake to be fully understood She finds that Augustine of Hippo maligned by modern theologians is the source of very fruitful reflection on these topics Most scholars today would agree that Augustine's works have exerted great influence on Western views of marriage family and sex But many would argue that this influence has been detrimental to a healthy understanding of these topics However using Augustine's writing Bennett shows that marriage and singleness cannot be considered separately that gender issues are important to considering these states correctly and most important that the marriage between Christ and the Church is the first consideration in understanding and living these states of life The water of baptism Christians first birth and initiation into the life of Christ is the primary standard for relationships rather than familial ties **Water Thicker Than Blood**

WATER THICKER THAN BLOOD Bromley Gittens, 2013-12-19 There are millions of people who have experienced and are experiencing unwarranted psychological and physical abuse from members of their own family relatives However some like me were fortunate to encounter strangers who made me aware of the contrast of human behavior and confirmed my belief that all mankind does not possess sinister thoughts that go into action as highlighted in this book Here's hoping that the many people who have experienced or are experiencing implied or explicit abuse that they find some resolve as no man or woman should endure a lifetime of psychological torture While it is understood that humans are not perfect we must be cognizant that life is short and we should all be able to live our lives in peace with happiness and love **Is Blood Thicker Than Water?** Delilah L.
