When Autumn Comes Ekaterina Trukhan,2025-08 **When Autumn Comes** Evan Ames,2004-01-01 *When Autumn Comes Again* Gidge,2015-10-10 Everyone doesn't get autumn except in their imagination Autumn is the calm before the rage the beauty before the beast the dream before the nightmare Autumn is the multicolored blanket covering the ground the smell of pumpkin the laughter of children and the brisk air before the snow At least I think that is autumn It has been many years since I have lived in that time of year it always seems that life is more beautiful before it goes away This book is about that time It is not necessarily about death but about life and loving and giving until it is no longer there Autumn is first love that can never return Autumn is love during senior years that is last well beyond death do us part Autumn is sometimes walking from hell into a cooler place In southern California some say there is no such thing as autumn those same people say there is no Santa Claus they both live in our hearts and minds *When Autumn Comes Back* Marcos Dresbach,2025-06-09 Some goodbyes echo louder with the falling leaves Years after a love that never quite ended Clara returns to the town where it all began a quiet place wrapped in mist memories and maple trees that remember everything As autumn paints the world in gold and rust she walks familiar paths hoping to forget or perhaps to remember for the last time But the past is never silent A letter left unread a melody once shared and the scent of rain on old wooden porches stir feelings long buried And when Eli the man she once called home reappears like the season itself Clara must decide if some stories are truly over or simply waiting for the right season to bloom again A tender lyrical novel about memory longing and the quiet ways love endures *When Autumn Comes* ,2017 **When Autumn Comes** Mary Bennett,Anne

things we know the Summer by Summer clothes say little girls and big straw hats say boys Well and what do they mean but the heat The Imp wears a huge straw hat and a loose holland overall but he goes about panting and lies flat on the ground with the straw hat over his nose to keep the sun from burning his face And the Elf wears an overall too and a pale blue calico sunbonnet over her curls All the same she is often too hot to enjoy anything except sitting in the swing in the orchard and listening to fairy tales And I well I am often too hot to tell fairy tales For fairyland is a cool comfortable place and big hot Ogres melt it away like an ice palace I told you that we are sad when we know that Summer is passing away but that is only because we love the Summer with her gay flowers and fair green clothes and not because we do not like the Autumn The Imp and the Elf laugh at me when I tell them that all Ogres and Ogresses all people who are grown up and can never be Imps and Elves again love the Autumn and the Spring even better than the Summer herself And then to make them understand I tell them a fairy story how once upon a time Spring and Summer and Winter and Autumn were four beautiful little girls
