often silenced gave her the insight to investigate why that was and how to help women overcome this centuries old issue With warmth and humour Rodenburg interrogates Shakespeare s texts and his presentation of female characters develops the notion of rhetoric in relation to the female voice and applies concepts explored in her previous books including *The Three Circles of Energy* And perhaps most crucially through arguing that power and voice are directly linked to breath Rodenburg makes the case that Western society s oppression of women has diminished their natural ability to breathe Exploring the female voice through practical exercises and stories from the front line as well as profoundly personal and formative experiences from her own life Rodenburg defines the art of accessing the voice within and reclaiming the woman s right to speak *The Woman s Voice* is also available in audiobook format from audiobook retailers *THE GOSPEL OF JOHN Original Version - Volume I* translated by James David Audlin, 2014-02 The only narrative about Jesus by eyewitnesses this is also one of the world s greatest literary works The unfinished text was spirited off to Sinope when the author was sent into exile Even there the hand of Rome nearly destroyed it Rescued 35 years later the author s spiritual heirs published it While in Sinope some pages got lost or disordered After publication various editors changed the manuscript repeatedly to suit the changing doctrines of early Christianity even adding spurious new material Thus the standard text is an inspiring mess but still a mess This translation restores not the unfinished original text but the masterpiece the author sought to compose a first hand account of a real man sent to urge humanity to accept God s will set down before doctrine repackaged him as an incarnate deity Volume One contains the carefully restored text and a history of the gospel Volume Two includes commentaries that burnish this masterpiece for the modern reader *Unspinning the Spin* Rosalie Maggio, The Women's Media Center, 2015-01-27 The Women s Media Center founded by Jane Fonda Gloria Steinem and Robin Morgan presents its first comprehensive guide to using accurate inclusive creative and clear language At a time when language is too often used to spin instead of communicate *Unspinning the Spin* The Women s Media Center Guide to Fair and Accurate Language was created to help everyone understand and be understood *Unspinning the Spin* offers the convenience of a dictionary the authority of a usage guide the helpfulness of a thesaurus and the wit and wisdom of an entertaining and authoritative teacher of the subject Organized alphabetically for easy use with cross references to related words phrases and issues this book goes beyond the scope of the usual reference book It mines a wide variety of fields to present the background current uses accuracy alternatives and best practices for choosing and decoding common words and phrases and offers a trove of suggestions for bias free language *Unspinning the Spin* is a practical indispensable how to that is fun to read It s invaluable for journalists bloggers students teachers government officials and communications professionals and it will be compelling for any reader who loves the English language The author Rosalie Maggio has been an expert and widely read authority on language for more than 25 years She is the author of the award winning *Dictionary of Bias Free Usage* and the editor of *The New Beacon Book of Quotations by Women* *Unspinning the Spin* includes a preface by Robin Morgan feminist activist former

**Scoffing at Scripture** Frank Bolger Kelly, 2011-02 A former Roman Catholic Frank Bolger Kelly has long wondered why thinking humans as a whole in the 21st century have not yet been able to disenthral themselves from the demonstrable falsehoods and sectarian nonsense of organized religion A few years ago Kelly decided to sit down with the sacred scriptures of several of the world's major religions the alleged bedrocks of these various creeds in a last ditch effort to achieve holy inspiration Instead he became wholly disenchanted and Scoffing at Scripture A Commoner Reads the World's Holy Writ and Rejects Traditional Religion is the result Far from representing that all elusive Word of God creedal scripture the world over it seems to Kelly merely cloaks the tribal agendas and cultural designs of the world's priestly and virtually allmale elites With the general reader in mind the author has grouped together a series of compact discussions of religion and scripture for cross cultural comparative reference Kelly's intent is to facilitate critical analysis of the world's holy writ and in particular to encourage younger skeptical readers of a secular mind to confront the doctrinal scriptural and ritual absurdities of those faiths into which they were born and continue to be indoctrinated Frank Bolger Kelly grew up in an Irish Catholic family in the Bronx New York matriculated to a noted Jesuit college in New England and subsequently did time at a prestigious non sectarian institution of higher learning in the Midwest It was during his enlightening time at the latter that Kelly first began seriously to question not only his own religious upbringing but the scriptural bases of all the world's major religions Kelly was quickly convinced that the vast majority of the faithful the world over commoners like himself just might reconsider their religious roots and motivations in a new light if they actually bothered to immerse themselves for a time in their own sacred scriptures rather than merely fake familiarity with them Actually to read scripture in all its antiquated tendentious sectarian absurdity Kelly reasoned is to take a first giant step in renouncing irrational creeds of all kinds Thus was born Scoffing at Scripture A Commoner Reads the World's Holy Writ and Rejects Traditional Religion a book from which the author hopes the open minded reader will draw a secularly pure spiritual sustenance

the U S legal system developed when the population was predominantly Christian Built into the law is the tacit assumption that all religions and religious practices resemble Christianity Using the Pagans as a case study Barner Barry shows how their experiences demonstrate that both the law affecting nondominant religions and the judiciary that interprets this law are significantly biased in favor of the dominant religion Christianity This creates legal problems as well as problems of intolerance for religions with significantly different practices Special attention is given to a series of Supreme Court decisions interpreting the Freedom of Religion Clause in terms of neutrality and interpreting the Establishment Clause loosely and its impact on nondominant religions in the US *Cauldron of Changes* Janice C.
