What Do Principals Do? Jonathan Hurst, 2021-04-01 What Do Principals Do provides a comprehensive and expansive look into a high school principal's job Rather than a survey asking principals how much time they spend on various tasks this work provides empirical evidence of exactly what a principal does every day of the year and how much time he spends doing it Based on the results of a three year longitudinal study conducted by a California High School Principal of the Year Association of California School Administrators 2012 this book reveals precisely what a principal does when he does it and how much time he spends doing it The study identifies 72 discrete tasks performed by principals and examines how much time disaggregated by day week month and year they spend on each of those 72 tasks The results of the data collection are the foundation of the book The findings are supplemented with explanations and analyses that reveal the workings of K 12

education and give readers a glimpse of life in a comprehensive high school This is a must read for everyone considering a life in public school administration The author Dr Jonathan Hurst the longest running principal in Elsinore High School s 130 year history provides insightful commentary and relevant anecdotes from a rich and rewarding career served in a large comprehensive high school in Southern California This book provides detailed quantitative evidence and an explanation for just what a principal does and how much time he spends doing it In the process it demonstrates the requisite skills for effective school governance administrative multi tasking and productive principal behavior Data collected covers three years and encompasses over 20 500 tasks and 7 500 hours of work This is a useful augmentation to existing administrative credential course readings as it provides evidence for what the research and authors are saying and demonstrates those skills procedures and operations that are an everyday part of a school administrator s job But the appeal for What Do Principals Do goes beyond those seeking knowledge about educational administration Besides the facts and figures about how a principal spends his time Dr Hurst offers explanations for why and how the time is spent and he provides insight into the educational scene This book has appeal for students in teacher education programs because it explains school communities and life in a school system and that also makes it appealing to the lay person or parent who wants to understand how schools work
