Life Begins at 65 Matthew E. McLaren, 2008-10-09 The words prostate cancer overheard in casual conversation are enough to cause the average male to cringe To actually be diagnosed with this condition is to many a devastating blow from which they never recover neither emotionally nor physically Matthew McLaren received the blow and turned it into a twofold opportunity First he overcame his own cancer Secondly he gave us detailed roadmaps so that others in the same situation can find their way out of it or better yet to bypass the quagmire entirely by taking simple preventative measures This book is must reading both for anyone who has prostate cancer or wishes to prevent it and for anyone who treats this condition or dispenses information about it Within these covers Matthew has created a virtual encyclopedia of the etiology anatomy physiology biochemistry and treatments of prostate cancer written in a style that is easy to understand by lay people and thorough enough for practitioners He interweaves science and personal experience in a delightful way The theme of this book is self empowerment Our body comes with its own innate healing power It can cure itself of any condition provided we give it the conditions it needs to do so and in a timely manner Matthew details what those conditions are Much of the wisdom he expresses herein applies not only to prostate cancer but also to other forms of cancer and to disease in general

The Poet

as Believer Aidan Nichols, 2011 This is the first comprehensive study of the theological significance of Paul Claudel a poet frequently cited by literary minded theologians in Europe and theologically minded poets such as von Balthasar de Lubac and Eliot His writing combines cosmology and history Bible and metaphysics liturgy and the drama of human personality Aidan Nichols study demonstrates how Claudel s oeuvre which is not only poetry but theatre and prose including biblical commentaries constitutes a rich resource for constructive doctrine liturgical preaching and theological reflection Eve A River Flowing Jane Bauer, 2024-02-08 This collection of poems Eve a River Flowing focuses on the crisis and comfort of Eve the original woman The book is split into two chapters Eve s Crisis and Eve s Comfort Chapter 1 Eve s Crisis captures in the mind of the reader the things in the modern world that cause Eve crisis Chapter 2 Eve s Comfort focuses on aspects of our world that give Eve comfort The poems speak of God spirit the universe Mother Nature and the importance of our relationship to all of the above They also speak of modern Western pop culture and its downfalls the importance of the natural world and the threat of technology to our primordial connections Eve attempts through the poems to give humanity tips or guidance as to how we could do better and improve life for all and life with the earth The Divine Law Of Cure Warren Felt Evans, 2014-03-17 No intelligent observer of the signs of the times can fail to notice among philosophical minds a marked reaction against the dominant scientific materialism of the past century and a tendency to return to a more spiritual view of human nature and the world at large Idealism which has always had a strong hold upon the deepest thinkers of the world from Plato downward is again coming into prominence and many of the leading scientists of the day exhibit an inclination to adopt it as furnishing the most satisfactory explanation of the phenomena of nature The present volume of the author is an attempt to construct a theoretical and practical system of phrenopathy or mental cure on the basis of the idealistic philosophy of Berkeley Fichte Schelling and Hegel Its fundamental doctrine is that to think and to exist are one and the same and that every disease is the translation into a bodily expression of a fixed idea of the mind and a morbid way of thinking If by any therapeutic device you remove the morbid idea which is the spiritual image after the likeness of which the body is formed you cure the malady The work lays no claim to originality except in the practical application of Idealism to the cure of the diseases of mind and body It is the culmination of a life long study of human nature and to which the previous volumes of the author may be viewed as introductory Lost Teachings of the Runes Ingrid Kincaid, 2019 The thirty three rune poems were previously published in 2016 in Runes revealed by Inkwater Press Title page verso Jesus Is Adam Michael Barry, 2023-12-08 Jesus Is Adam is not just another book on the shelf Its title echoing above Caravaggio s evocative painting of Jesus and the incredulity of doubting Thomas beckons readers to delve deeper into the true identity of Jesus Despite the vast number of Christians worldwide many remain unaware of the profound connection between Jesus and Adam With over 2 56 billion Christians globally including 27 3 million in England alone the significance of this revelation cannot be understated This book isn t solely for Christians It aims to enlighten everyone from atheists and agnostics to Muslims and

beyond By unraveling the life and teachings of Jesus it presents a compelling case for understanding him as Adam Given the universal reverence for Jesus a book that offers such a fresh perspective is bound to captivate readers worldwide Dive in and discover the simplicity and profundity of Jesus Is Adam *Phrenological Magazine* ,1885 *Culturally Relevant Storytelling in Qualitative Research* Norman K.
