and the first book in bestseller Julie Houston's new series set in Yorkshire. Funny, fabulous, heart warming and hilarious, you'll never forget the Allen sisters and their one of a kind community. Perfect for fans of Jo Bartlett, Cathy Bramley and Philippa Ashley. Readers LOVE Julie Houston. Julie Houston knows how to pluck the reader's heartstrings. If ever anyone feels down, Julie's books should be available on prescription, the perfect pick me up. If you are looking to indulge in a tale of Yorkshire and its fabulously feisty independent women, then Julie's latest offering should be your first choice. Packed with hopeless romanticism, witty banter and a satisfying ending, this is a splendid read which I heartily recommend. This was just what I needed to restart the reading bug and has left me wanting to get stuck into all of the books again. Fab characters, great storylines and lots of 'Will they won't they' situations. I buddy read this with a friend but we both ended up binge reading as you find yourself getting lost in the book and wanting to know what's going to happen next. I would easily recommend Julie to anyone looking for something to get them out of a book slump or just who wants a good book to get lost in. I love all of Julie Houston's novels and this one is a cracker. Great characters, a lovely setting and a very entertaining and gripping read. Highly recommended. Don't go on holiday without it. Praise for Julie Houston. This is a gorgeous, warm hearted read with a cast of characters that you can't help but root for. It's a beautiful depiction of the special bond between sisters, warts and all, and I can't wait to see where we go next with the Allen family. Freya Kennedy. There is too much to love about Julie's latest book. This story of three sisters is funny, heart warming and will keep you hooked to the final page. Carmen Reid. Warm, funny and well written with a page turning plot, this book has everything I loved. Katie Fforde. Julie Houston at her best, heartfelt and hilarious. Sandy Barker. Laugh out loud, hilarious and heartwarming. Mandy Baggot. A tour de force of beautiful, funny and emotional storytelling. Fay Keenan. A warm, funny story of sisters and the secrets they keep. Sheila O'Flanagan. This book is an absolute gigglefest with characters you'll fall in love with. Katie Ginger.
