**CIMA Official Learning System Performance Management** Jo Avis, 2009-07-18 CIMA Official Learning Systems are the only textbooks recommended by CIMA as core reading. Written by the CIMA examiners, markers and lecturers, they specifically prepare students to pass the CIMA exams first time. Fully updated to reflect the 2010 syllabus, they are crammed with features to reinforce learning including step by step coverage directly linked to CIMA's learning outcomes, fully revised examples and case studies, extensive question practice to test knowledge and understanding, integrated readings to increase understanding of key theory, colour used throughout to aid navigation. The Official Learning systems are the only study materials endorsed by CIMA. Key sections written by former examiners for the most accurate up to date guidance towards exam success. Complete integrated package incorporating syllabus guidance, full text recommended articles, revision guides and extensive question practice.

**Police Leadership as Practice** Cathrine Filstad, 2022-02-27 *Police Leadership as Practice* applies a leadership as practice approach emphasising leader employee relationships to law enforcement. This book provides a progressive and collaborative leadership text for students of law enforcement as well as insights into leadership dynamics in all organisations for students and researchers of business and management. The police leadership as practice perspective provides a holistic understanding of leadership in the police, identifying factors that inhibit and promote learning. It refers to four main components as dynamic and continuously evolving processes: Strategies, social mission and organisation, along with strategies as practice, Community, organisational and police culture, identity and belonging, community of practice and competencies, Participation, sense making and discretion, power and politics, Activities, learning as practice, change and change management as practice. Practical and enriched with case studies, examples and best practice, the textbook is also rigorously research based. Authored by a professor of business and management with specialist knowledge in police leadership, it brings the cutting edge of leadership thinking to the practicalities of policing. It is essential reading for those engaged with policing, leadership roles and management.
