*The Shape of Faith to Come* Brad J. Waggoner, 2008-10-15 Various studies suggest Christians in North America are not qualitatively different in their character and practices than non believers While some churches are growing numerically many wonder to what impact Can we determine if our churches are producing Christians who look think and act like true followers of Jesus Christ In *The Shape of Faith to Come* research expert Brad J Waggoner and his team measure the beliefs and actions of 2 500 active Protestant churchgoers from across the country against seven key standards of Biblical spiritual formation Learning the truth Obeying God and denying self Sharing faith Serving God and others Exercising Biblical faith Building solid relationships Seeking God The findings reveal the current state and forecast of spiritual formation in the U S A Adding encouragement to his insights Waggoner calls all Christians to spiritual maturity and challenges church leaders to intentionally take up the mantle of making true disciples Endorsements Descriptive and prescriptive this work will be seen as one of the best books ever written on what is really taking place in the discipleship process of Christians Thom S Rainer coauthor of the 1 best seller *Simple Church* The elephant in the room of evangelicalism is the surprising lack of disciplined believers in all different kinds of churches We have produced a cafeteria Christianity rather than a robust orthodoxy and Jesus shaped spirituality In this challenging and disturbing book Brad Waggoner draws on twenty years of research in discipleship and spiritual formation to not just show us who we are but to point us to what we must do *The Shape of Faith to Come* will become a milestone as evangelicals begin to take discipleship seriously once again Ed Stetzer coauthor of *Lost and Found The Younger Unchurched* and *Churches that Reach Them* This book comes closer than any study with which I m familiar to providing an insightful and objective evaluation of the spiritual condition of the church in America Where is the church weak and where is she strong Some of the answers indicated by *The Shape of Faith to Come* may surprise you Donald S Whitney author of *Spiritual Disciplines for the Christian Life*

*True Spiritual Grit* Jr. Grady J. Pennell, 2015-02-23  
Spiritual grit is character True spiritual grit is character rooted in the person of God Spiritual formation is character development Everyone undergoes spiritual formation either intentionally or most often unintentionally Intentional effort is essential in building spiritual grit At the same time it can never be separated from the grace and good news of Jesus Christ The lessons on spiritual formation in this book were gleaned while ministering to U S Marines and Sailors over almost two decades The study completed in 2006 documents that character can be strengthened intentionally through spiritual formation groups Since retiring from the Navy in 2007 the author has pastored a local church in Alaska The same spiritual formation lessons learned as a chaplain with Marines and Sailors still apply as a pastor Today he applies these same principles to shepherding the hearts of a flock in today s hostile culture just as he did caring for warriors training for combat Grady has been pastor of Eagle River Grace since March 2007 when he retired as a chaplain from the U S Navy after 26 years In the Navy he served tours of duty on a nuclear submarine a cruiser an aircraft carrier Seabee Battalions and with numerous U S Marine units which included a combat tour in the first Gulf War He has lived in Iceland Spain Korea and Japan

He holds a Doctor of Ministry from Fuller Theological Seminary a Masters of Theology from Dallas Theological Seminary and a B S in engineering from Texas A M His active diverse ministry and travels span four decades and over 30 countries Grady and his wife Pat are the parents of two adult children His married son is a youth pastor in Oregon and his daughter serves with a charitable organization in California

**Identity Crisis** Dr. Bobby M. Wagner,2016-06-29 THIS IS THE BEST WAY TO EXPERIENCE ALL YOU WERE CREATED FOR In Identity Crisis you will find power and purpose by putting your faith in the One who can transform your identity Even in crisis He can do far beyond anything you can imagine What s the greatest crisis in our world today Dr Bobby Wagner contends it is our inability to believe in the power of God in our lives Is it possible to read the Bible and believe God does not work powerfully through His people Our miraculous identity in Christ has not ceased our faith in it has It seems we are losing our faith in our God given identity in the Bible in the church and in our world A dramatic transformation takes place when you believe in the power of the Gospel As our unbelief continues one more person misses the Good News As a result of the nearly 75 million Americans who have trusted Jesus Christ for salvation more than 70 million have never shared the Good News In a postmodern and post Christian culture in the midst of a crisis of unbelief the only way souls will be touched is if God s people become witnesses of the power of the Gospel

*Becoming a True Spiritual Community* Larry Crabb,2007-07-08 In today s frenetic society people rarely develop intimate friendships Instead they spend their lives essentially disconnected from others rushing through life content with brief visits and casual conversations But what if one were to develop a community a spiritual community of people who walked with and supported each other through life s journey A community of real friends who listened to each other s personal tragedies without merely trying to fix the problems who encouraged and nurtured each other s strengths and who accepted people for who they really are instead of the image they try to portray In *Becoming a True Spiritual Community* formerly titled *The Safest Place on Earth* Larry Crabb explores such a place where God can heal disconnected people and allow them to reconnect with each other and ultimately with Him
