Truth And Consequences A Novel:

Truth and Consequences Alison Lurie, 2006-11-28 Over the years Alison Lurie has earned a devoted readership for her satiric wit and storytelling acumen With *Truth and Consequences* described by the New Yorker as a comedy of adultery with a comedy of academia thrown in Lurie returns with a modern social satire that recalls the best of David Lodge and Mary McCarthy as well as her own popular university novels *The War Between the Tates* and *Foreign Affairs* BACKCOVER A wily shapely tale of love's labors lost Elle A wry insightful thoroughly enjoyable tale about how men and women choose their demons and their lovers and the sacrifices they're willing to make for both The Atlanta Journal Constitution Delightful Her characters are as always wonderfully imperfect The New York Review of Books *The Short Story* Ailsa Cox, 2009-03-26 Long regarded as an undervalued and marginalised genre the short story is undergoing a renaissance The Short Story celebrates its unique appeal Practitioners and scholars address the issues facing short story criticism in the 21st century Author A L Kennedy shares the pleasures and frustrations of writing the short story in the literary marketplace This is followed by an assessment of recent attempts to promote short story readership in the UK Other contributors look at forms such as the short short and the short story sequence The range of authors discussed includes Martin Amis Anita Desai Salman Rushdie and James Joyce The short story is the most international of genres this is reflected in chapters on Jorge Luis Borges and Italo Calvino and on Japanese short fiction Postcolonial and translation theory are combined with the close reading of specific texts Neglected authors such as the Welsh writer Dorothy Edwards and the colonial figure Frank Swettenham are re-evaluated and we also consider genre writing with chapters on crime fiction and Ray Bradbury's *Martian Chronicles* Integrating theory and practice *The Short Story* will appeal both to writers and to students of literary criticism

Behind His Eyes - Consequences Aleatha Romig, 2014-01-03 Contains significant scenes from the novel *Consequences* by Aleatha Romig told from the character Anthony's point of view *A Farewell to Justice* Joan Mellen, 2013-09-01 Working with thousands of previously unreleased documents and drawing on more than one thousand interviews with many witnesses speaking out for the first time Joan Mellen revisits the investigation of New Orleans district attorney Jim Garrison the only public official to have indicted in 1969 a suspect in President John F Kennedy's murder Garrison began by exposing the contradictions in the Warren Report which concluded that Lee Harvey Oswald was an unstable pro Castro Marxist who acted alone in killing Kennedy *A Farewell to Justice* reveals that Oswald no Marxist was in fact working with both the FBI and the CIA as well as with US Customs and that the attempts to sabotage Garrison's investigation reached the highest levels of the US government Garrison's suspects included CIA sponsored soldiers of fortune enlisted in assassination attempts against Fidel Castro an anti Castro Cuban asset and a young runner for the conspirators interviewed here for the first time by the author Building upon Garrison's effort Mellen uncovers decisive new evidence and clearly establishes the intelligence agencies' roles in both a president's assassination and its cover up In this revised edition to be published in time for the

fiftieth anniversary of the president's assassination the author reveals new sources and recently uncovered documents confirming in greater detail just how involved the CIA was in the events of November 22 1963 More than one hundred new pages add critical evidence and information into one of the most significant events in human history *Alain Badiou and the Book of Revelation* Bruce Worthington, 2024-05-29 Using many key philosophical concepts based on the work of Alain Badiou this book outlines the relationship between an event and the emergence of a truth which serves as a helpful organizing principle from which to study the origins of Christianity Alain Badiou and the Book of Revelation argues that despite what postmodern philosophy says truths still appear and their immanent character can be known in the world through a militant subject one who is willing to declare the consequences of an event that has happened The second half of the book applies Badiou's theory of the event to the book of Revelation a book that draws out radical even terrifying consequences from an event the victory of the Lamb particularly in the logic of a new world and a political body that is to come Based on several new insights following the completion of Badiou's *The Immanence of Truths* the book is a full length treatment of Badiou's philosophy to the study of Christian origins and the book of Revelation **The Novels of Simone De-Beauvoir** Elizabeth Fallaize, 2024-11-01 First published in 1988 *The Novels of Simone de Beauvoir* concentrates specifically on the novels of the famous 20th Century French writer Simone de Beauvoir Her novels are popular with both the students and general readers of literature and philosophy and they will welcome this authoritative introduction to Beauvoir's fiction The author examines Beauvoir's choice of narrative strategies and interprets them both in relation to the sexual politics of writing and in relation to the place which the constraints of history class and gender increasingly play in the texts All quotations are translated

Novelists on the Novel Miriam Allott, 2023-03-08 First published in 1959 *Novelists on the Novel* makes an attempt to set out fully what novelists both major and minor have to say about the practice of their art It draws on the experience of English French and Russian novelists so that the general reader and the more serious literature student can find out what they have to say about the novel as a literary form The included passages come from novels themselves from diaries letters notebooks etc and together constitute something like an aesthetic of the novel Using these sources the book tries to answer the following questions What is a novel what are the problems which face the novelist when he sits down to write a work of fiction How is he to tell his story What exactly is meant by the point of view How should he manipulate time How is he in one of the possible senses of the word to make his characters seem real What are the functions of dialogue and how should it be dovetailed into narrative
