A Field Guide to Awkward Silences Alexandra Petri, 2016-06-07 Washington Post columnist Alexandra Petri shares her stories of awkwardness in this insightful and supremely funny debut Most twentysomethings avoid awkwardness Not Alexandra Petri She auditioned for America s Next Top Model She lost Jeopardy by answering Who is that dude One time she let some cult members baptize her just to be polite Alexandra Petri is a connoisseur of the kind of awkwardness most people spend lifetimes avoiding If John Hodgman and Amy Sedaris had a baby they would never let Petri babysit it Here the Washington Post columnist turns her satirical eye on her own life with hilarious results And she s here to tell you that interesting things start to happen when you stop caring what people think

Opening Hearts by Opening Minds Connie Wineland, 2007-06-01 This book is for Christian readers of fiction who might experience difficulty trying to make an informed choice beyond what is being published by evangelical presses Marketed to a specific target audience evangelical fiction oftentimes leaves a reader with a strong emotional response but

lacks the literary depth or the breadth of subject that could inspire life changing spiritual growth With this premise at the heart of her book Connie Wineland includes her own story of conversion to Christianity by way of reading fiction During her late twenties and early thirties particularly while in graduate school Wineland became immersed in literary and rhetorical studies while also practicing an Eastern form of religion as well as Native American spirituality However despite all her training in literary theory her readings in Romantic Victorian modern and postmodern literature which she explains as well as her personal interest in mythology and world religions kept her questioning the existence of God and the possible nature of God Then as a relatively new convert to Christianity she faced several challenges at a small Christian college where she taught literature and writing courses Eventually wanting to reach beyond the academic community Wineland began a local Christian readers group which she ran for four years She includes in this book resources and materials such as sample syllabi and study guide questions useful Web addresses and plenty of how to information for starting and running your own book club Also included is an extensive list of annotated titles of recommended reading to get anyone started

Still Learning to Read Franki Sibberson, Karen Szymusiak, 2016 Foreword by Colby Sharp In the decade since the first edition of *Still Learning to Read* was published the prevalence of testing and the Common Core State Standards have changed what is expected of both teachers and students The new edition of *Still Learning to Read* focuses on the needs of students in grades 3-6 in all aspects of reading workshop including reading workshop read aloud classroom design digital tools fiction nonfiction and close reading The book stays true to its original beliefs of slowing down and knowing our readers but it also takes into account the sense of urgency that changing times and standards impose on classrooms This edition examines current trends in literacy includes a new section on intentional instructional planning and provides expanded examples of mini lessons and routines that promote deeper thinking about learning It also includes a brand new chapter on scaffolding for reading nonfiction and showcases the authors latest thinking on close reading and text complexity Online videos provide glimpses into classrooms as students make book choices work in small groups and discuss their reading notebooks Expanded and updated book lists recommendations for digital tools lesson cycles and sections specifically written for school leaders round out this foundational resource

Reading and the Reference Librarian Juris Dilevko, Lisa Gottlieb, 2014-10-16 Reference librarians are no longer expected to know much about the information they find they are merely expected to find it Technological competency rather than knowledge has become the order of the day In many respects reference service has become a matter of typing search terms into a library's online catalog or a web search engine and providing the patron with the results of the search Calling for a re intellectualization of reference librarianship this book suggests another approach to providing quality reference service

reading The authors surveyed both academic reference librarians and public library reference personnel in the United States

and Canada about their reading habits From the 950 responses the authors present findings about the extent to which librarians read newspapers periodicals fiction and nonfiction and recount and analyze stories about how reading has made them better librarians The authors also report that North American professors in the humanities and social sciences believe that the best reference librarians are those who have wide ranging subject based knowledge as opposed to the type of process based functional knowledge that is increasingly dominating the curricula of many Library and Information Science programs
