Taking a multi purpose and inter denominational approach this is a book addressed to all Christians who in this sceptical age may be experiencing a religious crisis or doubts as to their commitment to Christ's teaching and Revelation Whilst this book is written from the basis of conviction it insists on demonstrating factual evidence Nothing is presented which is contrary to the reason of the ordinary man or woman in arguing the basis of religious truth With this in mind the reader is taken through the Bible from the book of Genesis onwards and answers are offered for many of those difficult questions which usually arouse anxiety in the minds of the faithful from time to time In addition the book offers questions and discussion topics at the conclusion of each chapter This is an ideal handbook which religious teachers and ministers of all denominations will find helpful written by a fully qualified scholar holding a doctorate in theological studies
