only baby book you'll ever need It's amazing heartwarming and completely user friendly Just add your heart Christiane Northrup MD author of Mother Daughter Wisdom The Wisdom of Menopause and Women's Bodies Women's Wisdom Attached at the Heart offers readers practical parenting advice for the modern age In its most basic form attachment parenting is instinctive A crying baby is comforted and kept close to parents for protection If hungry he or she is breastfed And while it is understood that there is no such thing as perfect parenting research suggests that there is a strong correlation between a heightened sense of respect empathy and affection in those children raised the attachment parenting way In this controversial book readers will gain much needed insight into childrearing while learning to trust the intuitive knowledge of their child ultimately building a strong foundation that will strengthen the parent child bond Using the Eight Principles of Parenting readers will learn How to prepare for baby before birth Why breastfeeding is a must for busy moms When to start feeding solid food How to respond to temper tantrums Sleeping safety guidelines and the benefits of cosleeping Tips for short separation How to practice positive discipline and its rewards Tips for finding and maintaining balance The benefits of using a baby sling and implementing infant massage Tips on dealing with criticism from those opposed or unfamiliar with AP style The dangers surrounding traditional discipline styles of parenting Contrary to popular belief attachment parenting has been practiced in one form or another since recorded history Over the years it had been slowly replaced by a more detached parenting style a style that is now believed by experts to be a lead contributing factor to suicide depression and violence The concept of attachment parenting a term originally coined by parenting experts William and Martha Sears has increasingly been validated by research in many fields of study such as child development psychology and neuroscience Also known as conscious parenting natural parenting compassionate parenting or empathic parenting its goal is to stimulate optimal child development While many attachment parenting recommendations likely counter popular societal beliefs authors Barbara Nicholson and Lysa Parker are quick to point out that the benefits outweigh the backlash of criticism that advocates of detached parenting may impose Men at Birth , **Varney's Midwifery** Helen Varney, Jan M. Kriebs, Carolyn L. Gegor, 2004 Known as the bible of midwifery this new edition of Varney's Midwifery has been extensively revised and updated to reflect the full scope of current midwifery practice in a balance of art and science a blend of spirituality and evidence based care and a commitment to being with women
