Pregnancy, Delivery, Childbirth Nadia Filippini, 2020-07-14 This book reconstructs the history of conception pregnancy

and childbirth in Europe from antiquity to the 20th century focusing on its most significant turning points the emergence of a medical scientific approach to delivery in Ancient Greece the impact of Christianity the establishment of the man midwife in the 18th century the medicalisation of childbirth the emergence of a new representation of the foetus as unborn citizen and finally the revolution of reproductive technologies The book explores a history that far from being linear progressive or homogeneous is characterised by significant continuities as well as transformations The ways in which a woman gives birth and lives her pregnancy and the postpartum period are the result of a complex series of factors The book therefore places these events in their wider cultural social and religious contexts which influenced the forms taken by rituals and therapeutic practices religious and civil prescriptions and the regulation of the female body The investigation of this complex experience represents a crucial contribution to cultural social and gender history as well as an indispensable tool for understanding today's reality It will be of great use to undergraduates studying the history of childbirth the history of medicine the history of the body as well as women's and gender history more broadly

Inside the World of Bridgerton Catherine Curzon, 2023-03-02 Inside the World of Bridgerton is a fascinating dive into the real history that inspired the smash hit show Bridgerton Written by an expert on the period this book reveals the true workings of Regency high society

Hebrew-English Edition of the Babylonian Talmud: Yebamoth Isidore Epstein, 1965

Weaving the Threads of Life Renaat Devisch, 1993-11 For the Yaka of Southwestern Zaire infertility is a tear in the fabric of life and the Khita fertility ritual is a trusted way of reweaving the damaged strands In Weaving the Threads of Life Rene Devisch offers an extended analysis of the Khita cult which leads to an original account of the workings of ritual healing Drawing on many years among urban and rural Yaka Devisch analyzes their understanding of existence as a fabric of firmly but delicately interwoven threads of nature body and society The fertility healing ritual calls forth forces feelings and meanings that allow women to rejoin themselves to the complex pattern of social and cosmic life These elaborate rites whether simulating mortal agony and rebirth gestation and delivery or flowering and decay using music and dance steambath or massage dream messages or scarification are not based on symbols of traditional beliefs Rather Devisch shows the rites themselves generate forces and meaning creating and shaping the cosmic physical and social world of their participants In contrast to current theoretical methods such as postmodern or symbolical interpretation Devisch's praxiological approach is unique in also using phenomenological insights into the intent and results of anthropological fieldwork This innovative work will have ramifications beyond African studies reaching into the anthropology of medicine and the body comparative religious history and women's studies

Second Conference on the Medical Services in Canada, 1928

What We Did in Bed Brian Fagan, Nadia Durrani, 2019-09-24 A social history that pulls back the covers on the most intimate piece of furniture in our lives Entertaining will keep you awake long into the night Paul Chrystal author of *The History of Sweets* Louis XIV ruled France from his bedchamber Winston Churchill governed Britain from his during World War II Travelers routinely used to

bed down with complete strangers and whole families shared beds in many preindustrial households Beds were expensive items and often for show Tutankhamun was buried on a golden bed wealthy Greeks were sent to the afterlife on dining beds and deceased middle class Victorians were propped up on a bed in the parlor In this sweeping social history that spans seventy thousand years Brian Fagan and Nadia Durrani look at the endlessly varied role of the bed through time This was a place for sex death childbirth storytelling and sociability as well as sleeping But who did what with whom why and how could vary incredibly depending on the time and place It is only in the modern era that the bed has transformed into a private hidden zone and its rich social history has largely been forgotten Includes photographs

Pregnancy Sucks For Men Joanne Kimes,Jeffrey Kimes,2004-10-07 Sleep on the couch to make room for her gigantic pregnancy pillow Pass up tickets to the game since you d rather register for the baby shower Haven t had sex since there was snow on the ground and it s July It may not make you sound like future father of the year but there s one thing men everywhere can agree on Pregnancy Sucks for you In this complete update of the bestselling first edition Joanne and Jeff Kimes pair no holds barred humor with helpful advice to make sure you actually live to see the birth of your child So whether you re sick of putting your foot in your mouth when you re trying to compliment her you want the real scoop on what s going to go down in the delivery room without the hospital issued video or you really just want a laugh since you volunteered to give up drinking for the interminable nine months of her pregnancy this book will tell you exactly what to do when that miracle of yours is making you totally completely just cut the freakin cord already miserable

Pregnancy Sucks Joanne Kimes,Leslie Young,2011-08-18 That glowing skin everyone promised you looks remarkably similar to the hormonal acne you battled as a teen Your special bond with your husband It means he can t sleep in the same room as you thanks to your killer gas The lady

at the grocery store remarks it must be any day now when you haven't finished your second trimester You debut the perfect name for your baby which your mother in law immediately describes as interesting complete with a wrinkled nose There's no doubt about it Pregnancy isn't all it's cracked up to be In this complete update of the bestselling first edition Joanne Kimes pairs no holds barred humor with helpful advice to get you through the next nine months with some level of your sanity intact So whether you're looking for the scoop on hypnobirthing you want to know a cure for your hemorrhoids or you really just want a laugh even if you might pee in your maternity leggings this book will tell you exactly what to do when that miracle of yours is making you totally completely gestationally miserable

Darker Side of Desire & The Sheikh's Pregnant

Prisoner Penny Jordan, Tara Pammi, 2017-05-22 Re-read this classic romance DARKER SIDE OF DESIRE by New York Times bestselling author Penny Jordan A bond was forged the day Claire saved the infant heir to the desert kingdom of Omarah from assassins Otherwise she wouldn't have agreed to masquerade as the boy's mother and Raoul D'Albro's unwanted wife But nothing could shield Claire from his powerful masculinity or their mutual desire Originally published in 1984 And re-discover another thrilling Harlequin Presents THE SHEIKH'S PREGNANT PRISONER by Tara Pammi When Zafir Al Masood finds out the woman he had a whirlwind affair with is carrying his child and intending to keep it secret he imprisons feisty Lauren in his palace Unlike him his baby will not be the illegitimate heir of a sheikh And to ensure this Zafir will make Lauren his wife Originally published in 2016

A Corpus of Rembrandt Paintings V Ernst van de Wetering, 2013-12-12 This volume is the fifth volume of A Corpus of Rembrandt Paintings a project devoted to all Rembrandt's paintings This is the work of The Rembrandt Research Project consisting of a group of scholars led since 1993 by Professor Ernst van de Wetering The project began in 1968 with the aim of separating Rembrandt's own paintings from the vast number of Rembrandtesque paintings made by his many apprentices and followers Having opted for a chronological approach to the cataloguing of Rembrandt's paintings from 1625 till 1642 in the first three volumes it was decided in 1993 to adopt a thematic approach for further volumes This was largely to facilitate the recognition of different hands The new approach yielded much more information not only about Rembrandt's working methods but also about the function and meaning of his works This expanded field of view meant that etchings and drawings with similar themes also needed to be included In 2005 Volume IV appeared devoted to Rembrandt's self portraits in painting etching and drawing Volume V consists of a catalogue and analysis of the so called small scale history and genre paintings That theme was chosen because this type of complex work shows a variety of full length protagonists acting in different narrative settings For this reason in the 17th century painting etching or drawing biblical and mythological scenes was looked upon as an artist's greatest challenge The choice of this theme proved to be highly fruitful in several ways Small scale history pieces reveal Rembrandt's artistic ambitions most clearly They also offer the authors a much more accurate view of the daily routine in Rembrandt's studio his apprentices mostly copied this type of work or used it as a starting point for their own As a result it was easier to distinguish the works by the master himself from

those of his pupils All aspects of the skills necessary to create a pictorial illusion play a part in the creation of small figured history paintings These aspects were referred to as the basis of the noble art of painting in Rembrandt's days Two seventeenth century painter theoreticians discussed these principles systematically in two books which up till now have only sporadically been consulted in the context of 17th century studio practice Karel van Mander wrote his *Grond der edel vry schilder const* Basis of the Art of Painting in 1604 and Samuel van Hoogstraten produced his *Inleyding tot de hooge schoole der schilder konst* Academy of Painting in 1678 Van Hoogstraten was a pupil of Rembrandt between 1642 and 48 Comparing the two books and considering them in relation to Rembrandt's oeuvre gradually reveals his original views on painting and how these had developed during his career Thus the authors of this new Volume of A Corpus have gained an unexpected and profound insight into Rembrandt's ideas and approach to his art The basic aspects of painting included the following topics function and methods of drawing human proportions various positions poses and gestures of figures ways of arranging a scene's protagonists in a composition facial expressions of a variety of emotions light shadows and reflected light landscape and animals draperies and articles of clothing methods of painting and various characteristics and uses of colours The way these basic aspects were selected and dealt with presumed that the more practical side to the art of painting would be learned by the apprentice in the daily routine of his master's studio With the development of art history in the nineteenth century the basic aspects of the art of painting listed above acquired the vague label of style However the seventeenth century categorization of the basic aspects provides a much more acute means of probing the views and criteria for judging a painting by Rembrandt and his contemporaries than the concept of style Volume V in the series A Corpus of Rembrandt Paintings breaks new ground from the point of view of art history not only in its approach to Rembrandt as an artist but more particularly to his thinking about painting Moreover a detailed comparison of Rembrandt's works and those by his apprentices who based their works on his led to a profound and detailed understanding of Rembrandt's views on pictorial quality In art historical literature quality usually does not feature prominently since it is regarded as being too subjective This comparative approach together with the analysis of seventeenth century categories of thought about painting have given the research on Rembrandt a new impetus at the same time allowing us to see more clearly through seventeenth century eyes That is why the new volume of the Corpus is an important publication not only for art historians but also for all who want to fully enjoy the numerous works of art that date back to the Dutch Golden Age now scattered in museums around the world

The Bloke's Guide To Pregnancy Jon Smith, 2004-07-01 This book takes a warts and all sensible yet humorous look at the many stages of pregnancy It explores the changes physical and emotional that any man can expect to see in his partner and in their relationship over the coming months Becoming pregnant involved two people The rearing of a child will involve two people there is every reason that your partner's pregnancy should also involve the two of you together For any man that has been put off reading pregnancy books because he doesn't feel he was the intended audience or that something about the

tone of these books was alien to him yet he still has questions that need answers then *The Blokes Guide to Pregnancy* is the book he's been looking for As a father himself Jon Smith realised when his partner Lisa became pregnant that there was nothing out there that he could relate to *The Bloke's Guide to Pregnancy* is the result Jon takes a comical yet informed look at the ups and downs of life as a father to be ***Pregnancy*** Joan Raphael-Leff,2018-05-08 Utilising her wealth of material and experience the author explores various aspects of the inside story of pregnancy She answers such questions as What meanings does childbearing have in the internal world How does a pregnant woman live with two people under her skin What is the expectant partner's experience Which dreams fears and fantasies proliferate around pregnancy and birth ***The Pursuit of Parenthood*** Margaret Marsh,Wanda Ronner,2019-08-06 A wide ranging history of assisted reproductive technologies and their ethical implications Finalist of the PROSE Award for Best Book in History of Science Medicine and Technology by the Association of American Publishers Since the 1978 birth of the first IVF baby Louise Brown in England more than eight million children have been born with the help of assisted reproductive technologies From the start they have stirred controversy and raised profound questions Should there be limits to the lengths to which people can go to make their idea of family a reality Who should pay for treatment How can we ensure the ethical use of these technologies And what can be done to address the racial and economic disparities in access to care that enable some to have children while others go without In *The Pursuit of Parenthood* historian Margaret Marsh and gynecologist Wanda Ronner seek to answer these challenging questions Bringing their unique expertise in gender history and women's health to the subject Marsh and Ronner examine the unprecedented means liberating for some and deeply unsettling for others by which families can now be created Beginning with the early efforts to create embryos outside a woman's body and ending with such new developments as mitochondrial replacement techniques and uterus transplants the authors assess the impact of contemporary reproductive technology in the United States In this volume we meet the scientists and physicians who have developed these technologies and the women and men who have used them Along the way the book dispels a number of fertility myths offers policy recommendations that are intended to bring clarity and judgment to this complicated medical history and reveals why the United States is still known as the Wild West of reproductive medicine ***Moon Sauce*** Marlene Jacobson,2019-10-01 *Moon Sauce* is the autobiographical journey of a girl who grew up on a farm in Minnesota Stories of the author's childhood depict real events of an imaginative child in a cruelly realistic world of hard work an abusive mother and a loving but distant father Through humor horror and hope the girl grows to womanhood to fulfill the dreams she created amidst a world that offered her nothing but which she took anyway *Moon Sauce* is a metaphor for canned peaches Instead of her stark reality she viewed her world not of the ordinary and practical but perceived as sliced and halved peaches transformed from the crescent and half spheres of the moon while she dusts off the heavy black loam soil and transforms it into stardust to reach for the moon ***The Coffin Maker*** James McCarthy,2012-07-26 From behind the headstones the laser beams from the machine guns

settle on the target coffin maker Pat O Donnell He is unwillingly digging a grave in the old colony cemetery on Achill Island for these thugs and they will not hesitate to use their fire power Who is he digging the grave for and why are they pointing their guns at him This nocturnal grave digging puzzles him but he might well be digging his own last resting place if the information has leaked out that he is working undercover with Garda Detective John O Neill trying to identify the reclusive drug lord The Big Fella Pat has a score to settle with him his gunmen had forced Pat s pregnant wife off the M50 to her death He has had other traumas in his life an adopted orphan who suffered abuse but the loss of his wife is the most devastating event that has ever happened to him He misses her everyday Midway into the dig a man and a woman alight from a jeep Even in the half light he can see she is beautiful but what is she doing here with these killers She is a stranger yet he feels drawn to her and her mysterious background Reluctantly he finds himself caught up in a web of fear intimidation drug smuggling and murder Book reviews online PublishedBestsellers website **Islam** Muhammad Saed Abdul-Rahman,2007-11-01 This authoritative series discusses issues relevant to Islam and presents accurate and reliable information based on the true beliefs and practices of the Prophet and his companions World Religions **Executive's Pregnancy Ultimatum** Emilie Rose,2010-02-01 Flynn Maddox the driven vice president of Maddox Communications thought he was over his ex wife Renee But when he learned that they were still married and that she was trying to have his baby he realized he had never stopped wanting her It was time to put his fierce negotiating skills to good use He would give her the baby she so desperately wanted but not without getting her to sign off on some terms of his own
