Motherhood and Social Exclusion Christie

Byvelds,2019-06-01 Though the negative effects of social exclusion are well documented there is a paucity of research on women s experiences of social exclusion as they relate to mothering within the institution of motherhood Social exclusion is a socially constructed concept it refers to a multi dimensional form of systematic discrimination driven by unequal power relationships It is the denial of equal opportunities resources rights goods and services for some by others within economic social cultural and political arenas Carrying birthing and mothering children place women in a unique position to face social exclusion based on their role as mothers Perhaps at no other time in our lives could we benefit more from feeling as though we are engaged in our community than when we enter into and are experiencing the patriarchal institution of motherhood As the widely used proverb states It takes a village to raise a child it also takes a village of societal institutions to support mothers Saint Mary s University Compendium of Key Documents Relating to Human Rights and HIV in Eastern and Southern Africa ,2008 The compendium of key Documents relating to human rights and HIV in Eastern and Southern Africa provides instrument policies and cases which are relavant to HIV AIDS **The Complete Medical Assistant** Janet Sesser,Deborah L.
