

May 2015 grade boundaries for DP coordinators

This document provides the component and overall grade boundaries for IB Diploma Programme courses with more than 100 candidates in May 2015. While compiling this document I have taken great care to ensure that the information reproduced here from IBIS is accurate, if there is any discrepancy between a boundary published here and that displayed on IBIS, the boundary displayed on IBIS is definitive. I would be grateful if you drew any error to my attention. In future I want to make a report available to you on IBIS that will enable you to view the boundaries pertinent to your candidates, but in the meantime I hope that you find this compilation helpful.
