*Microsoft Office 2010 with Microsoft Office 2010 Evaluation Software* Microsoft Official Academic Course, 2012-01-24  
This Microsoft Office 2010 text introduces students to the various applications included in Microsoft Office. The program is based upon the same curriculum as the Microsoft Office Specialist Exam to build the skills students need to succeed at work. The Microsoft Official Academic Courseware MOAC Office 2010 Series is the only Official Academic Course program. Automated grading via OfficeGrader saves instructors time and enables consistent grading. Furthermore, the latest edition's use of color in screen captures allows users to follow on screen much easier as screen captures will look the exact same as the application. Additional projects throughout the book help users comprehend how a task is applied on the job. OfficeGrader helps instructors offer immediate feedback on all homework assignments and projects and additional animated tutorials on key Office tasks provides additional help on difficult topics. **Microsoft Office 2007 for Windows** Steve Schwartz, 2007-05-31 Completely redesigned to help users finish tasks more quickly and manage information more effectively. Microsoft Office 2007 will offer users a new look and smarter ways of getting things done. From the expanded depth and power of Excel 2007 to the new graphics capabilities and formatting tools of PowerPoint, Microsoft has rethought and reworked the entire suite. And in this new edition of our Office Visual QuickStart Guide, author Steve Schwartz has rewritten from the ground up the entire book to better aid readers as they get up to speed with the new Office tools. The book is an essential reference tool for the home and small business user, covering everything in the Office Basic Home Student Standard and Small Business suites. Software covered includes Word, Excel, OneNote, Outlook, PowerPoint, and Publisher. Easy visual approach uses pictures to guide you through Microsoft Office and show you what to do. Concise steps and explanations let you get up and running in no time. Page for page, the best content and value around. *Cyber Forensics* Albert Marcella Jr., Doug Menendez, 2010-12-19 Updating and expanding information on concealment techniques, new technologies, hardware, software, and relevant new legislation, this second edition details the scope of cyber forensics to reveal and track legal and illegal activity. Designed as an introduction and overview to the field, the authors guide you step by step through the basics of investigation and introduce the tools and procedures required to legally seize and forensically evaluate a suspect machine. The book covers rules of evidence, chain of custody, standard operating procedures, and the manipulation of technology to conceal illegal activities and how cyber forensics can uncover them.

**Flip the Script** Oren Klaff, 2019-08-13 THE BESTSELLING AUTHOR OF PITCH ANYTHING IS BACK TO FLIP YOUR ENTIRE APPROACH TO PERSUASION. Is there anything worse than a high-pressure salesperson pushing you to say yes then sign on the dotted line before you're ready? If there's one lesson Oren Klaff has learned over decades of pitching, presenting, and closing long-shot, high-stakes deals, it's that people are sick of being marketed and sold to. Most of all, they hate being told what to think. The more you push them, the more they resist. What people love, however, is coming up with a great idea on their own, even if it's the idea you were guiding them to have all along. Often, the only way to get someone to sign is to make them feel like they're smarter than you. That's why Oren is throwing out the old playbook on persuasion. Instead, he'll show you a new approach that works on this simple insight: Everyone trusts their own ideas. If, rather than pushing your idea on your buyer, you can guide them to discover it on their own, they'll believe it, trust it, and get excited about it. Then they'll buy in and feel good about the chance to work with you. That might sound easier said than done, but Oren has taught thousands of people how to do it with a series of simple steps that anyone can follow in any situation. And as you'll see in this book, Oren has been in a lot of different situations. He'll show you how he got a billionaire to take him seriously, how he got a venture capital firm to cough up capital, and how he made a skeptical Swiss banker see him as an expert in banking. He'll even show you how to become so compelling that buyers are even more attracted to you than to your product. These days, it

s not enough to make a great pitch To get attention create trust and close the deal you need to flip the script
