The Dignity of Manual Labour Zacharias Tanee Fomum, 2015-04-20 God has given talents to human beings so that they can use them in the service of God of others and of personal service Everyone must discover their talent in order to use it to meet these needs These talents are received either at birth or by asking them of God in order to accomplish his work God will reward all those who have used their talents well because there is a danger of burying this talent or envying others and wanting to do like others These talents will only be truly useful to God and his service for those who have said goodbye to sin to the self life and to the love of the world To take advantage of all its potentials we need a radical consecration and total sanctification Read this book you could discover your talent maximize it and put it at the service of God and his work A
