Features

- Earbud-style headphones deliver detailed and rich sound reproduction with deep bass.
- Silicone eartub housing for comfortable and soft fit in the ear.
- Robust sound achieved by use of high-power neodymium magnets.

How to use

Wear the earpiece marked **R** in your right ear and the one marked **L** in your left ear.

How to use the holder

Store the housing part as in illustration **A**. It prevents the cord from becoming tangled if you store the ear receiver connected to a device such as WALKMAN® in your pouch or bag. When using the headphones, you can adjust the cord length by winding the cord around the holder, as in illustration **B**.

* "WALKMAN" and "WALKMAN" logo are registered trademarks of Sony Corporation.

How to install the earbuds correctly (see fig. **C**)

If the earbuds do not fit your ears correctly, low-bass sound may not be heard. To enjoy better sound quality, change the earbuds to another size, or adjust the earbuds position to sit on your ears comfortably and fit your ears snugly. The M size earbuds are attached to the headphones before shipment. If you find the M size earbuds do not suit your ears, replace them with the supplied S or L size earbuds. When you change the earbuds, install them firmly on the headphones to prevent the earbud from detaching and remaining in your ear.

Cleaning the earbuds

Remove the earbuds from the headphones, and wash them with a mild detergent solution.
